Jih proti Severu
B1/B2 May 06
2021 Mnozí autoři
napsali desítky
knih, a marně
čekali na úspěch.
Margaret
Mitchellové,
americké novinářce
a spisovatelce, k
jeho dosažení
stačilo napsat jen
knihu jedinou. Jih
proti Severu.
Nejznámější
milostný příběh
všech dob, který se
okamžitě po svém
vydání v roce 1936
stal americkým a
světovým
bestsellerem.
Příběh s hlavní
postavou nezkrotné

Scarlett O'Harové
ale není pouhou
love story.
Čtenářům nabízí
hlubší poznání
životního osudu
dívky, jejíž
romantické sny se
rozplynuly ve vichru
občanské války.
Okolnosti ale její
vnitřní sílu a
sebedůvěru
nezlomí. Navzdory
smrti nejbližších a
svému zlomenému
srdci neztrácí
životní jiskru.
Jiskru, která k ní
všechny tolik
přitahuje. Publikace
nabízí zkrácenou
verzi románu, jež je
určena pro mírně
pokročilé studenty
angličtiny. Anglický
text doplňuje český
zrcadlový překlad,
který čtenářům
umožní
zkontrolovat, zda
cizojazyčnému
textu správně
porozuměli. V

závěru knihu
doplňují zajímavé
informace o autorce
a stejnojmenném
filmu.
Audionahrávka, na
níž text vypráví
rodilá mluvčí, je k
dispozici zdarma na
stránkách
nakladatelství.

Colloquial
Croatian Oct 31
2020 Colloquial
Croatian provides a
step-by-step course
in Croatian as it is
written and spoken
today. Combining a
user-friendly
approach with a
thorough treatment
of the language, it
equips learners
with the essential
skills needed to
communicate
confidently and
effectively in
Croatian in a broad
range of situations.
No prior knowledge
of the language is

required. Key features include: • progressive coverage of speaking, listening, reading and writing skills • structured, jargon-free explanations of grammar • an extensive range of focused and stimulating exercises • realistic and entertaining dialogues covering a broad variety of scenarios • useful vocabulary lists throughout the text • additional resources available at the back of the book, including a full answer key, a grammar summary and bilingual glossaries
Balanced, comprehensive and rewarding, Colloquial Croatian will be an indispensable

resource both for independent learners and students taking courses in Croatian. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

Newly Composed

Folk Music of

Yugoslavia Sep 22

2022 In Western

political discourse,

Yugoslavia was

frequently referred

to as a “buffer
zone,” its

independence from

the Soviet bloc

being the single

most salient factor

making it politically

atypical. Another

enduring metaphor,

that of a crossroads

between East and

West, was often

invoked to describe

Yugoslavia’s

heterogeneous

culture, owing as

much to its

geographic position

in central/southeast

Europe as to its

multinational

makeup. Yet, if not

solely for its

socialist brand of

communism, the

Balkan-Slavic

identity of

Yugoslavia’s

traditional culture

shaped the

perception of the

country as a part of

the east European

cultural bloc. Like

other cultures on

the map of Slavic

traditions,

Yugoslavia

presented the

casual observer

with a colorful

variety of village

music, ethnic

customs and a

proliferating

national folklore

engendered in

festival re-

enactments of rural

life. Rapid social

changes following

World War II

profoundly affected

the country’s

largely rural-based

culture. Despite

enormous evidence

of vanishing

historic practices,

the music rooted in

the socioeconomic

milieu of peasant

society remained

the main focus of

ethnomusico-logical

research interest.

Yugoslavia’s

contemporary

culture, originating

in such modern

institutions as mass

media and the

market place, did

not receive

comparable

attention.

Performing Opera

Feb 21 2020 In

Performing Opera:

A Practical Guide

for Singers and

Directors Michael

Ewans provides a

detailed and

practical workbook

to performing many

of the most

commonly produced

operas. Drawing on

examples from

twenty-four operas

ranging in period

from Gluck and

Mozart to Britten

and Tippett, it

illustrates exactly

how opera

functions as

dramatic form.

Grounded in close

analyses of

performances of

thirty scenes and

five whole operas

by first-rate singers

and celebrated

directors,

Performing Opera

provides readers

with an

appreciation of the

unique challenges

and skills required

by performers and

directors. It will

assist them in their

own performance

and equip them

with detailed

knowledge of works

most commonly

featured in the

repertoire. In the

first part of the

book the analysis

progresses from

scenes in which the

singers are silent,

via arias and

monologues, duets

and confrontations,

up to ensembles.

Wider issues are

subsequently

addressed:

encounters with

offstage events,

encounters with the

numinous,

characterization,

and the sense of

inevitability in

tragic opera.
