From bestselling author J. B. Turner comes the next chapter in Jon Reznick's story--revenge for a murdered friend. Jon Reznick is not a man to cross. A brutally effective black-ops veteran, Reznick has a history of taking the law into his own hands. So when a group of masked men murders his closest friend, he swears to exact vengeance. The now-deceased Bill Eastland had been Reznick's last living tie to his father,

leaving him devastated...and furious. Whether or not the FBI approves, he swears to hunt down whoever issued the hit on his friend. With the help of hacker Trevelle Williams, Reznick tracks the masked murderers from Maine to Texas to New York, quickly becoming embroiled in the shadowy world of the Aryan Brotherhood and the Mafia. As Reznick's own body count begins to climb, clues lead him to one of the most dangerous crime families in New York, headed by the infamous Paul Moretti. But FBI Assistant Director Martha Meyerstein has just learned a crucial secret that could derail Reznick's quest for revenge--Moretti is a high-level FBI informant. Reznick faces a stark choice: take on the FBI and risk severing ties with Martha, or inflict his own form of rigorous justice no matter the possible fallout. How far will he go--and how many government agencies will he undermine--to get retribution for his best friend's death? He might just have to create his own set of rules. B. Collins hears rumors that an al-Qaeda splinter cell—ISIS—has captured a cache of chemical weapons inside Syria, he knows this is a story he must pursue at all costs. the impending visit of the American president to the region could prove to be the spark that sets off an explosion of horrendous proportions. Knowing that terrorist forces are already trying to bring down two Arab governments in the region—Iraq and Syria—can Collins uncover the truth before it's too late? Or will the terrorists succeed in setting their sights on the third target and achieving genocide? When federal agent Alexandra LaDuca travels to Egypt to investigate the possible sighting of a former mentor, she is thrown into the deadliest game of double cross in her career. An American woman working alone, she must rely on her wits, her training, and her skill with lethal weapons not just to succeed, but also to survive. A CIA agent whom she believed to be dead appears to be alive; and why is he dressing like an Arab and speaking Russian? Tough, savvy, and cool under fire, Alex pushes herself to the limits as she puts her life on the line once again for her faith and her country—all while working with a mysterious new partner who may or may not be trustworthy. This fast-paced contemporary espionage thriller is exactly what Noel Hynd fans have been waiting for, the third and final installment of the Russian Trilogy. It will keep everyone turning pages and guessing from beginning to end. A senior American security adviser is missing, presumed kidnapped for his top-level military intelligence. FBI Assistant Director Martha Meyerstein needs to track him down before classified information gets into the wrong hands. She needs Jon Reznick on board. The former black-ops assassin is supposed to be on vacation with his daughter, but when Meyerstein

calls, it doesn't pay to keep her waiting. Her elite team is convinced that the missing diplomat's expertise in the Persian Gulf points to an Iranian terrorist cell, but Reznick isn't so sure. His gut instinct tells him they're all wrong. Never one to play by the rules, he finds himself working alone, following a lead that everyone else has dismissed. But to Reznick, the suspect seems a little too clean... When the team comes under attack, the kidnapping is exposed as part of a much wider conspiracy, one far more dangerous than Meyerstein feared. Nothing and nobody is safe--and only Jon Reznick stands between national security and a campaign of unprecedented terror.

When black-ops asset Nathan Stone took out the heads of the Commission, a secret deep-state organization, he thought he'd destroyed them for good. Now he's gone off the grid, trying to get as far away from his past as possible. But the Commission isn't done with him yet. Lying low in a Miami bar, Stone knows something's up when an alluring actress strikes up a conversation with him. His suspicions are correct. The Commission is hot on his trail, and Stone is soon forced to run deep into the heart of the Everglades with the terrified woman as his hostage. He's the Commission's number one target--and this time nothing will stop them from eliminating him. But Nathan Stone is no ordinary target. The crew of mercenary assassins on his heels have no idea what's in store for them on the River of Grass. Because the hunt is on, and they picked the wrong prey. In a time of accusations, treachery and lies, some secrets were

heartbreaking.... Others were deadly. Once, Nick Kotlar tried to save his father. From the angry questions. From the accusations. From a piece of evidence that only Nick knew about and that he destroyed—for his father. But in the Red Scare of 1950 Walter Kotlar could not be saved. Branded a spy, he fled the country, leaving behind a wife, a young son—and a key witness lying dead below her D.C. hotel room. Now, twenty years later, Nick will get a second chance. Because a beautiful journalist has brought a message from his long-lost father, and Nick will follow her into Soviet-occupied Prague for a painful reunion. Confronting a father he barely remembers and a secret that could change everything, Nick knows he must return to the place where it all began: to unravel a lie, to penetrate a deadly conspiracy, and to expose the one person who knew the truth—and watched a family be destroyed. Jon Reznick is a "ghost" a black-ops specialist who takes his orders from shadowy handlers, and his salary from the US government. Still mourning the loss of his beloved wife on 9/11, he's dispatched to carry out a high-level hit. Reznick knows only that it must look like suicide. It's textbook. But the target is not the man Reznick expected. The whole setup is wrong. In an instant the operation is compromised, and Reznick is on the run with the man he was sent to kill. A man wanted by the FBI, and by a mysterious terrorist organization hell-bent on bringing the United States to its knees. FBI Assistant Director Martha Meyerstein is determined to track him down, and to intercept whatever it is Reznick was sent to do. When Reznick's young daughter becomes a pawn in the

game, he has to use more than his military training to stay one step ahead of those responsible. Meanwhile, he is the only person who knows the true extent of the threat to national security--and has the stealth and determination to stop it. But the target is not the man Reznick expected. The whole setup is wrong. In an instant the operation is compromised, and Reznick is on the run with the man he was sent to kill. A man wanted by the FBI, and by a mysterious terrorist organization hell-bent on bringing the United States to its knees. FBI Assistant Director Martha Meyerstein is determined to track him down, and to intercept whatever it is Reznick was sent to do. When Reznick's young daughter becomes a pawn in the game, he has to use more than his military training to stay one step ahead of those responsible. Meanwhile, he is the only person who knows the true extent of the threat to national security--and has the stealth and determination to stop it. Revised edition: This edition of *Hard Road* includes editorial revisions. Jon Reznick will protect New York City or die trying. When a

group of homegrown attackers takes aim at cops outside a Fourth of July baseball game, black-ops specialist Jon Reznick and his daughter, Lauren, are caught in the cross fire. Jon hunts down two of the gunmen. But the last member of the group is at large and about to launch a fresh killing spree across the city. Cops are under fire, and Jon must stop this madman before more people are killed. But Jon's renegade tactics and vigilante justice are starting to ruffle some feathers, and his friends in high places might not be able to help him anymore. With leaks inside the FBI and resistance from the NYPD, Reznick doesn't know whom to trust. He knows one thing: he won't watch the city he loves be torn apart, especially not with his daughter in the crosshairs. But can he get to her in time? An American diplomat goes missing and ex-Special Forces operative Jon Reznick joins a top secret team, led by FBI Assistant Director Martha Meyerstein, to help track him down. The team believes that there may be a terrorist group, perhaps Islamists, who have kidnapped him, as the diplomat's area of expertise is the Persian Gulf. But Reznick is training his sights on an unlikely candidate - a leading Washington DC surgeon. "How far would you go to uncover the truth?" When the partially dismembered body of a young man is found in the Florida Everglades, Deborah Jones, star reporter for the Miami Herald, finds herself caught up in a story that has ramifications far beyond anything she could have ever imagined. The victim had contacted Deborah anonymously just the day before, promising her top-secret government documents - the missing 28 pages of the 9/11 report - if she'd

agree to a meeting. But he didn't show up, calling to say he feared for his life. Deborah Jones is a woman not easily deterred by threats. But when a second person dies in mysterious circumstances, it is clear to her and to everyone on her newspaper that Deborah could be next on the assassin's list.
