Directory of Graduates of the FBI National Academy and Officers of the FBI National Academy Associates

Prior to 1862, when the Department of Agriculture was established, the report on agriculture was prepared and published by the Commissioner of Patents, and forms volume or part of volume, of his annual reports, the first being that of 1840. Cf. Checklist of public documents ... Washington, 1895, p. 148. When Warren G. Harding was elected president in 1920, he brought to Washington some of his political chums from Ohio. They played poker;

they sold illegal liquor permits, pardons and paroles. They sold fixes in the Justice Department and transported contraband across state lines. They sold naval oil reserves at Teapot Dome and sheets out of Army warehouses. The Ohio Gang, an historical entertainment peopled with the characters of the day, follows Harding and his cronies from their Ohio childhoods to the smoke-filled rooms of the Republican convention and on to the White House. We meet Henry Daugherty, the attorney general with the disconcerting eyes; Jess Smith, tall and pigeon-toed; Nan Britton, the teenage girl who fell in love with Harding's campaign posters and who later became his mistress and mother to his illegitimate daughter; and America's first lady, the Duchess. Following the antics of the president and his administration, The Ohio Gang concludes with Harding's whistle-stop tour of the country—his final, despairing attempt to keep his presidency from coming undone. An entertaining and

immensely readable encapsulation of democracy American-style, The Ohio Gang is an historical tour de force in which the presidency is seen as a traveling medicine show. Includes history of bills and resolutions. Together with a list of auxiliary and cooperating societies, their officers, and other data. Vols. for 1956-1972/73 include graduates and former naval cadets and midshipmen from 1845 through the issue date of the volume.
