Emmanuel's Book Oct 23 2022 Here is the revealing underground classic, a work that stands beside the "Seth" books as a delightful and invaluable guide to our inner spirit and our outer world. Emmanuel speaks to us through Pat Rodegast and shares his wisdom and insights on all aspects of life. Beautifully written and illustrated, Emmanuel's Book I is to be treasured, enjoyed and passed on to a friend. Emmanuel says: "The gifts I wish to give you are my deepest love, the safety of truth, the wisdom of the universe and the reality of God . . . The issue of whether there is a Greater Reality or not, for me at least, has been settled. I know that there is. So I will speak to you from the knowing that I possess." Ram Dass, in the introduction, says: "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . And at each moment we are at just the right place in the journey. As Emmanuel points out, 'Who you are is a necessary step to being who you will be.'"

Nanaville Jun 19 2022 NEW YORK TIMES BESTSELLER • The perfect gift for new parents and grandparents this Mother's Day: a bighearted book of wisdom, wit, and insight, celebrating the love and joy of being a grandmother, from the Pulitzer Prize-winning columnist and #1 bestselling author "This

tender book should be required reading for grandparents everywhere."—Booklist (starred review) "I am changing his diaper, he is kicking and complaining, his exhausted father has gone to the kitchen for a glass of water, his exhausted mother is prone on the couch. He weighs little more than a large sack of flour and yet he has laid waste to the living room: swaddles on the chair, a nursing pillow on the sofa, a car seat, a stroller. No one cares about order, he is our order, we revolve around him. And as I try to get in the creases of his thighs with a wipe, I look at his, let's be honest, largely formless face and unfocused eyes and fall in love with him. Look at him and think, well, that's taken care of, I will do anything for you as long as we both shall live, world without end, amen." Before blogs even existed, Anna Quindlen became a go-to writer on the joys and challenges of family, motherhood, and modern life, in her nationally syndicated column. Now she's taking the next step and going full nana in the pages of this lively, beautiful, and moving book about being a grandmother. Quindlen offers thoughtful and telling observations about her new role, no longer mother and decision-maker but secondary character and support to the parents of her grandson. She writes, "Where I once led, I have to learn to follow." Eventually a close friend provides words to live by: "Did they ask you?" Candid, funny, frank, and illuminating, Quindlen's singular voice has never been sharper or warmer. With the same insights she brought to motherhood in *Living Out Loud* and to growing older in *Lots of Candles, Plenty of Cake*, this new nana uses her own experiences to illuminate those of many others. Praise for Nanaville "Witty and thoughtful . . . Nanaville serves up enough vivid anecdotes and fresh insights—about childhood, about parenthood, about grandparenthood and about life—to make for a gratifying read."—The New York Times "Classic, bittersweet Quindlen . . . [Her] wonder at seeing her eldest child grow into his new role is lovely and moving. . . . The best parts of Nanaville are the charming vignettes of Quindlen's solo time with her grandson."—NPR

Models Matter Aug 21 2022 In 2008, Christopher Niquet, a well-known French stylist, spotted the 1960s supermodel Peggy Moffit in a Beverly Hills restaurant. Never an autograph chaser, he nonetheless felt compelled to ask for hers. This candid moment

ignited an obsessive, ongoing quest. Niquet began to reach out to the models he considered quintessentials figures in his industry, for their epic beauty and remote auras. Deploying a sleuth's methods to locate these models around the globe, he collected 100 signatures, most of which are framed along with an iconic portrait. "My original purpose was to get beyond the abstract, incorporeal beauty of these icons, and bring back a sense of their physicality. For me, each signature restored a womanly reality to the imaginary being." This book highlights the unique personalities of celebrated or forgotten women from the late 1950s to the 1990s and what they all have in common: the power to awaken creativity in the people who see them. Through generations of cover stories, *Models That Matter* explores a multi-layered history of feminine beauty, from Jean Shrimpton to Jerry Hall, from Lauren Bacall to Linda Evangelista, from Anita Pallenberg to Naomi Campbell, muses for extraordinary fashion lensmen like Steven Meisel—who wrote the preface-to Irving Penn or Richard Avedon.

Skyward Vol. 1: My Low-G Life May 18 2022

One day, gravity on Earth suddenly became a fraction of what it is now. Twenty years later, humanity has adapted to its new low-gravity reality. And to Willa Fowler, who was born just after G-day, it's pretty awesome. You can fly through the air! I mean, sure, you can also die if you jump too high. So you just don't jump too high. And maybe don't get mixed up in your dad's secret plan to bring gravity back that could get you killed! From writer JOE HENDERSON (showrunner of Fox's *Lucifer*) and artist LEE GARBETT (*Lucifer*, *Loki: Agent of Asgard*) comes the story of a young woman's journey to find her place in a world turned upside down.
