Something Like Summer Jan 14 2022 A love story spanning a decade and beyond as two boys discover what it means to be friends, lovers, and sometimes even enemies.

Summer of '42 Dec 25 2022 “A chronicle of one summer in a boy’s coming of age”—the international bestselling classic that became the basis for the Oscar-winning film (Medium). Captivating and evocative, Herman Raucher’s semi-autobiographical tale has been made into a record-breaking Academy Award-winning hit movie, adapted for the stage, and enchanted readers for generations. In the summer of 1942, Hermie is fifteen. He is wildly obsessed with sex, and passionately in love with an “older woman” of twenty-two, whose husband is overseas and at war. Ambling through Nantucket Island with his friends, Hermie’s indelible narration chronicles his frantic efforts to become a man, especially one worthy of the lovely Dorothy, as well as his glorious and heartbreaking initiation into sex. “Mr. Raucher scores most tellingly. His recall of nervous teen-age gaucheries is dead accurate, hilarious, tinged with sadness.”—The New York Times Book Review “A charming and tender novel . . . The overall effect is one of high hilarity. Raucher is a comic-artist who is able to convey the fears and joys . . . of the boy and at the same time give older readers a wrench in the heart.”—Publishers Weekly

Midnight in the Garden of Good and Evil Dec 01 2020 NATIONAL BESTSELLER • “Elegant and wicked.... [This] might be the first true-crime book

that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review

Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

The Winter of Our Discontent Feb 21 2020 The final novel of one of America's most beloved writers—a tale of degeneration, corruption, and spiritual crisis A Penguin Classic In awarding John Steinbeck the 1962 Nobel Prize in Literature, the Nobel committee stated that with *The Winter of Our Discontent*, he had "resumed his position as an independent expounder of the truth, with an unbiased instinct for what is genuinely American." Ethan Allen Hawley, the protagonist of Steinbeck's last novel, works as a clerk in a grocery store that his family once owned. With Ethan no longer a member of Long Island's aristocratic class, his wife is restless, and his teenage children are hungry for the tantalizing material comforts he cannot provide. Then one day, in a moment of moral crisis, Ethan decides to take a holiday from his own scrupulous standards. Set in Steinbeck's contemporary 1960 America, the novel explores the tenuous line between private and public honesty, and today ranks alongside his most acclaimed works of penetrating insight into the American condition. This Penguin Classics edition features an introduction and notes by leading Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

At the same time Hemingway offers an often complex and deeply personal self-portrait that reveals much about one of the twentieth century's preeminent writers.

Summer Crossing Aug 29 2020 "Witness the coming together of Truman Capote's voice, the electric-into-neon blaze that is surely one of the premier styles of postwar American literature."—The Washington Post Book World "A great breezy read . . . with Capote's trademark wit, but also with genuine youthful awe at the exhilaration of late-forties New York."—New York A lost treasure only recently found, Truman Capote's *Summer Crossing* is a precocious, confident first novel from one of the twentieth century's greatest writers. Set in New York just after World War II, the story follows a young carefree socialite, Grady McNeil, whose parents leave her alone in their Fifth Avenue penthouse for the summer. Left to her own devices, Grady turns up the heat on the secret affair she's been having with a Brooklyn-born Jewish war veteran who works as a parking lot attendant. The Boys of Summer Jul 20 2022 This is a book about young men who learned to play baseball during the 1930s and 1940s, and then went on to play for one of the most exciting major-league ball clubs ever fielded, the team that broke the colour barrier with Jackie Robinson. It is a book by and about a sportswriter who grew up near Ebbets Field, and who had the good fortune in the 1950s to cover the Dodgers for the Herald Tribune. This is a book about what happened to Jackie, Carl Erskine, Pee Wee Reese, and the others when their glory days were behind them. In short, it is a book fathers and sons and about the making of modern America. 'At a point in life when one is through with boyhood, but has not yet discovered how to be a man, it was my fortune to travel with the most marvelously appealing of teams.' Sentimental because it holds such promise, and bittersweet because that promise is past, the first sentence of this masterpiece of sporting literature, first published in the early '70s, sets its tone. The team is the mid-20th-century Brooklyn Dodgers, the team of Robinson and Snyder and Hodges and Reese, a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos. Roger Kahn, who covered that team for the New York Herald Tribune, makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives, beautifully intertwining them with his own, then recounts how so many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience.

Engine Summer Jan 22 2020 A young man named Rush is coming of age in a world that cycles through "busy times", in which great discoveries are made, and "quiet times" where humanity's task is to gain understanding of what was discovered in the busy times.

The Line of Beauty Jul 28 2020 Winner of the 2004 Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award. From Alan Hollinghurst, the acclaimed author of *The Sparsholt Affair*, *The Line of Beauty* is a sweeping novel about class, sex, and money during four

extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers.

One Crazy Summer Jun 07 2021 Eleven-year-old Delphine has it together. Even though her mother, Cecile, abandoned her and her younger sisters, Vonetta and Fern, seven years ago. And even though Delphine will have to take care of her sisters, as usual, and learn the truth about the missing pieces of the past. When the girls arrive in Oakland in the summer of 1968, Cecile wants nothing to do with them. She makes them eat Chinese takeout dinners, forbids them to enter her kitchen, and never explains the strange visitors with Afros and black berets who knock on her door. Rather than spend time with them, Cecile sends Delphine, Vonetta, and Fern to a summer camp sponsored by a revolutionary group, the Black Panthers, where the girls get a radical new education. Set during one of the most tumultuous years in recent American history, one crazy summer is the heartbreaking, funny tale of three girls in search of the mother who abandoned them—an unforgettable story told by a distinguished author of books for children and teens, Rita Williams-Garcia.

Into the Wild Sep 29 2020 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look

over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

Blume creates a rich tapestry of characters."—The Denver Post "Blume's characters still tend to hover after the book is set aside. . . . She catches perfectly the well-armed love between longtime female friends."—The Seattle Times

If only, the boys believe, they could stop the clock atop the courthouse building. Then, surely, they could hold onto the last days of summer . . . and their youth. But the old men were young once, too. And Quartermain, crusty old guardian of the school board and town curfew, is bent on teaching the boys a lesson. "This wasn't the first time that I'd come close to death, but it was the first time I'd been involved in this part of it, this strange, terrible saying goodbye to someone you've loved." These are Vicky Austin's thoughts as she stands near Commander Rodney's grave while her grandfather, who himself is dying of cancer, recites the funeral service. Watching his condition deteriorate over that long summer is almost more than she can bear. Then, in the midst of her struggle, she finds herself the center of attention for three young men. Leo, Commander Rodney's son, turns to her as an old friend seeking comfort but longing for romance. Zachary, whose attempted suicide inadvertently caused Commander Rodney's death, sees her as the one sane and normal person who can give some meaning to his life. And Adam, a serious young student working at the nearby marine-biology station, discovers Vicky, his friend's little sister, incipient telepathic powers that can help him with his experiments in dolphin communications. Vicky finds solace and brief moments of peace in her poetry, but life goes on around her, and the strain intensifies as she confronts matters of love and of death, of dependence and of responsibility, universal concerns that we all must face. The inevitable crisis comes and Vicky must rely on openness, sensitivity, and the love of others to overcome her private grief. Dandelion Wine Sep 10 2021 The summer of '28 was a vintage season for a growing boy. A summer of green apple trees, mowed lawns, and new sneakers. Of half-burnt firecrackers, of gathering dandelions, of Grandma's belly-busting dinner. It was a summer of sorrows and marvels and gold-fuzzed bees. A magical, timeless summer in the life of a twelve-year-old boy named Douglas Spaulding—remembered forever by the incomparable Ray Bradbury. The only god living in Green Town, Illinois, that Douglas Spaulding knew of. The facts about John Huff, aged twelve, are simple and soon stated. • He could pathfind more trails than any Choctaw or Cherokee since time began. • Could leap from the sky like a chimpanzee from a vine. • Could live underwater two minutes and slide fifty yards downstream. • Could hit baseballs into apple trees, knocking down harvests. • Could jump six-foot orchard walls. • Ran laughing. • Sat easy. • Was not a bully. • Was kind. • Knew the words to all the cowboy songs and would teach you if you asked. • Knew the names of all the wild flowers and when the moon would rise or set and when the tides came in or out. He was, in fact, the only god living in the whole of Green Town, Illinois, during the twentieth century that Douglas Spaulding knew of. “[Ray] Bradbury is an authentic original.”—Time
