Focus is a rich, varied and clearly structured upper secondary course that provides motivating content and a reliable exam preparation path. Its methodology is built around the concept of 3Ms – Motivation, Memory and Meaning that underpin the benefits of the course for learners and signal its pedagogical effectiveness to teachers. Provides listening, speaking, reading, and writing exercises to develop proficiency in parts of speech, usage, tense, and other basics of English grammar. For undergraduate or graduate courses that include planning, conducting, and evaluating research. A do-it-yourself, understand-it-yourself manual designed to help students understand the fundamental structure of research and the methodical process that leads to valid, reliable results. Written in uncommonly engaging and elegant prose, this text guides the reader, step-by-step, from the selection of a problem, through the process of conducting authentic research, to the preparation of a completed report, with practical suggestions based on a solid theoretical framework and sound pedagogy. Suitable as the core text in any introductory research course or even for self-instruction, this text will show students two things: 1) that quality research demands planning and design; and, 2) how their own research projects can be executed effectively and professionally. • More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING? Beast Academy Practice 5D and its companion Guide 5D (sold separately) are the fourth part in the four-part series for 5th grade mathematics. This timely new edition of Integrated Behavioral Health in Primary Care brings the reader up to speed with the changing aspects of primary care service delivery in response to the Patient-Centered Medical Home (PCMH), the Triple-Aim health approach, and the Patient Protection and Affordable Care Act. Drawing on research evidence and years of experience, the authors provide practical information and guidance for behavioral health care practitioners who wish to work more effectively in the fast-paced setting of primary care, and provide detailed advice for addressing common health problems such as generalized anxiety disorder, depression, weight issues, sleep problems, cardiovascular disorders, pain disorders, sexual problems, and more. New to this edition are chapters on population health and the PCMH; children, adolescents, and parenting; couples; managing suicide risk; and shared medical appointments. This paperback edition was previously published in hardcover in 2017. For many kids with physical disabilities and challenges, the barriers they face go beyond what they can and can't do with their bodies. Loaded with tools for coping with the intense social, emotional, and academic difficulties these students often must deal with—as well as their secret fears—this book helps kids succeed in and out of the classroom and confidently handle their physical challenges. Friendly illustrations, think-about-it prompts, true-to-life stories gathered from the authors' decades of experience, and specific tips and advice provide comfort, hope, and supportive guidance. This student workbook accompanies "Math in Focus"'s Student Text 5A. Complementing the student text, this workbook features word problems, riddles, challenging practice questions, and plenty of practice exercises to help students really understand what they're learning. 264 non-reproducible, perforated pages, softcover. This Workbook is for Text 5A. Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever. Spectrum Math for grade 8 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress.
