Christian Apologetics Past and Present (Volume 1, To 1500) Nov 12 2021 An unprecedented anthology of apologetics texts with selections from the first century AD through the Middle Ages. Includes introductory material, timelines, maps, footnotes, and discussion questions. The apostle Peter tells us always to be ready to give a defense to anyone who asks us to account for our hope as Christians (1 Peter 3:15). While the gospel message remains the same, such arguments will look different from one age to another. In the midst of a recent revival in the field of apologetics, few things could be more useful than an acquaintance with some of these arguments for the Christian belief through the ages. This first of two proposed volumes features primary source documents from the time of the early church (100-400) and the Middle Ages (400-1500). Featured apologists include Aristides, Justin Martyr, Irenaeus, Tertullian, Origen, Athanasius, Augustine, Anselm, and Thomas Aquinas. The authors provide a preface to each major historical section, with a timeline and a map, then an introduction to each apologist. Each primary source text is followed by questions for reflection or discussion purposes.

Italy: Past and Present; Aug 21 2022 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. Africa and the West: A Documentary History Dec 13 2021 Africa and the West presents a fascinating array of primary sources to engage readers in the history of Africa's long and troubled relationship with the West. Many of the sources have not previously appeared in print, or in books readily available to students. Volume 1 covers two major topics: the Atlantic slave trade and the European conquest. It details the beginnings of the slave trade, slavery as a business, the experiences of slaves, and the effect of abolitionism on the trade, using such documents as a letter from a sixteenth-century African king to the king of Portugal calling for a more regulated slave trade, and the nineteenth-century testimony of a South African slave accused of treason. The volume also covers the early nineteenth-century considerations of the costs and benefits of colonization, the development of conquest as the century progressed, with special attention to technology, legislation, empire, religion, racism, and violence, through such unusual documents as Cecil Rhodes's will and a chart of the costs of African animals exported to Western zoos.

Past and Present of Adams County, Nebraska; Mar 04 2021 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Valve Presents Volume 1: The Sacrifice and Other Steam-Powered Stories Jan 22 2020 For fifteen years, Valve has defined the cutting edge of video games. Now, Valve joins with Dark Horse to bring three critically acclaimed, fan-favorite series to print, with a collection of comics from the worlds of Left 4 Dead, Team Fortress, and Portal. With over two hundred pages of story, Valve Presents: The sacrifice and other Steam-Powered Stories is a must-read for fans looking to further explore the games they love or comics readers interested in dipping their toes into new mythos!

Christian Apologetics Past and Present (Volume 2, From 1500) Jan 26 2023 Amid a revival of apologetics, "few things could be more useful than an acquaintance with how Christian faith was defended down through the ages," say the editors in their introduction to this two-part anthology. "Access to both historical and contemporary texts gives us fresh insight into how our fathers in the faith responded to the questions facing them." Volume 2 in this one-of-a-kind resource takes a sweeping look at apologetics from the Reformation to the present. Readings from twenty-six apologists, including Martin Luther, John Calvin, Blaise Pascal, Jonathan Edwards, Søren Kierkegaard, Francis Schaeffer, Alvin Plantinga, and William Lane Craig are included. With editorial commentary and questions for reflection, Christian Apologetics Past and Present will prove a valuable text for students as well as a unique resource for those interested in defending the faith.

Physics of Cancer Nov 19 2019 This revised second edition is improved linguistically with multiple increases of the number of figures and the inclusion of several novel chapters such as actin filaments during matrix invasion, microtubuli during migration and matrix invasion, nuclear deformability during migration and matrix invasion, and the active role of the tumor stroma in regulating cell invasion.

Collected: Past + Present, Volume No 2 Dec 25 2022 Get inspired by a new compilation of crave-worthy spaces and places curated by HGTV star and award-winning designer Sarah Richardson, following on the bestselling success of Sarah Style and At Home: Sarah Style. Collected by Sarah Richardson is a series of books that contains an ever-changing mood board of soulful design—from interior and exterior spaces, to products, places, and creative people. Filled with striking photos from Sarah and her team, along with top designers from the global scene, each volume is filled with diverse looks and perspectives, ensuring there's something for everyone. In the second volume, Past + Present, Sarah explores the relationship between old and new—from historic houses with sleek,

contemporary interiors, to modern houses filled with beloved antiques. "Whether you're tackling a ground-up build or simply looking to make your spaces sing, these pages and the insight from our experts will excite and inform your design adventures," says Sarah. With *Collected*, Sarah's done all the work for you, pulling together fresh ideas from the world's best sources and making each issue a keepsake well worth collecting.

God's Playground A History of Poland Mar 16 2022 The most comprehensive survey of Polish history available in English, 'God's Playground' demonstrates Poland's importance in European history from medieval times to the present. Abandoning the traditional nationalist approach to Polish history, Norman Davies instead stresses the country's rich multinational heritage and places the development of the Jewish German, Ukrainian, and Lithuanian communities firmly within the Polish context. Davies emphasizes the cultural history of Poland through a presentation of extensive poetical, literary, and documentary texts in English translation. In each volume, chronological chapters of political narrative are interspersed with essays on religious, social, economic, constitutional, philosophical, and diplomatic themes. This new edition has been revised and fully updated with two new chapters to bring the story to the end of the twentieth century.

Armstrong County, Pennsylvania Oct 31 2020

A Concise Survey of Western Civilization Jun 26 2020 This engaging text offers a brief, readable description of our common Western heritage as it began in the first human societies and developed in ancient Greece and Rome, then through the Middle Ages. Providing a tightly focused narrative and interpretive structure, Brian A. Pavlac covers the basic historical information that all educated adults should know. His joined terms "supremacies and diversities" develop major themes of conflict and creativity throughout history. The text is also informed by five other topical themes: technological innovation, migration and conquest, political and economic decision-making, church and state, and disputes about the meaning of life. Written with flair, this easily accessible yet deeply knowledgeable text provides all the essentials for a course on Western civilization.

Past Forward Oct 19 2019 Over the last fifteen years, undergraduate U.S. history courses have made great progress in incorporating primary sources and diverse voices into the survey. However, teachers still struggle to find professional writing by working historians in a format useful to undergraduates. Also, in 2014, the College Board redesigned the AP U.S. History curriculum and assessments to require students to demonstrate a critical approach to historical writing by professional historians. These facts have increased demand among teachers for access to high-quality secondary material by professional historians in a single, convenient publication. *Past Forward: Articles from the Journal of American History* selects some of the best articles from *The Journal of American History* to meet the needs of students and teachers of the U.S. history survey. Exploring all of the required "key concepts" and "historical thinking skills" required in the new AP U.S. History curriculum, the book provides pedagogical and historiographical supports for each article. It also contains concise academic biographies of the authors that highlight their path to practicing history and their major publications, which will draw students deeper into historical

discourses.

Biographical History of North Carolina from Colonial Times to the Present, Volume 7 - Scholar's Choice Edition Feb 21 2020 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Dinosaurs Past and Present Feb 27 2023

America Past and Present Apr 05 2021 Perfect for individuals who want to use the internet as they explore American history, this is a web/book hybrid that uses the power of the internet to engage readers interested in the history of the United States to 1877. The book presents a clear, streamlined narrative of the social, political, economic, and cultural history of the United States to 1877, enabling the reader to appreciate the variety and diversity of the American experience. The website that corresponds to the book includes images, maps, audio clips, primary source documents, and more. For anyone interested in exploring American history to 1877 with the help of the internet.

A Concise History of Modern Korea Feb 15 2022 Now in a fully revised and updated edition, this history of modern Korea explores the social, economic, and political issues it has faced since being catapulted into the wider world at the end of the nineteenth century. Placing this formerly insular society in a global context, Michael J. Seth describes how this ancient, culturally and ethnically homogeneous society first fell victim to Japanese imperialist expansionism, and then was arbitrarily divided in half after World War II. Seth traces the postwar paths of the two Koreas—with different political and social systems and different geopolitical orientations—as they evolved into sharply contrasting societies. South Korea, after an unpromising start, became one of the few postcolonial developing states to enter the ranks of the first world, with a globally competitive economy, a democratic political system, and a cosmopolitan and dynamic culture. By contrast, North Korea became one of the world's most totalitarian and isolated societies, a nuclear power with an impoverished and famine-stricken population. Considering the radically different and historically unprecedented trajectories of the two Koreas, Seth assesses the insights they offer for understanding not only modern Korea but the broader perspective of world history. All readers looking for a balanced, knowledgeable history will be richly rewarded with this clear and cogent book.

A Social History of the American Family from Colonial Times to the Present Volume 1 Jul 28 2020 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The History of New-Hampshire. Volume III. Jun 07 2021

Great Negroes, Past and Present Oct 11 2021 Brief one- or two-page biographies of important Negroes from ancient to modern times and from many professions including science, education, art, music, and religion.

A History of England, Volume 2 Dec 01 2020 A History of England, Volume 2 (1688 to the Present), focuses on the key events and themes of English history since 1688. Topics include

Britain's emergence as a great power in the 18th century, the American War for Independence, the Industrial Revolution, and the economic crisis of the 1970s.

A History of the Book in America May 06 2021 The fifth volume of *A History of the Book in America* addresses the economic, social, and cultural shifts affecting print culture from World War II to the present. During this period factors such as the expansion of government, the growth of higher education, the climate of the Cold War, globalization, and the development of multimedia and digital technologies influenced the patterns of consolidation and diversification established earlier. The thirty-three contributors to the volume explore the evolution of the publishing industry and the business of bookselling. The histories of government publishing, law and policy, the periodical press, literary criticism, and reading--in settings such as schools, libraries, book clubs, self-help programs, and collectors' societies--receive imaginative scrutiny as well. The *Enduring Book* demonstrates that the corporate consolidations of the last half-century have left space for the independent publisher, that multiplicity continues to define American print culture, and that even in the digital age, the book endures. The American South May 18 2022 In *The American South*, William J. Cooper, Jr. and Thomas E. Terrill demonstrate their belief that it is impossible to divorce the history of the south from the history of the United States. Each volume includes a substantial biographical essay—completely updated for this edition—which provides the reader with a guide to literature on the history of the South. Coverage now includes the devastation of Hurricane Katrina in 2005, up-to-date analysis of the persistent racial divisions in the region, and the South's unanticipated role in the 2008 presidential primaries.

World History Nov 24 2022 *World History: Journeys from Past to Present* uses common themes to present an integrated and comprehensive survey of human history from its origins to the present day. By weaving together thematic and regional perspectives in coherent chronological narratives, Goucher and Walton transform the overwhelming sweep of the human past into a truly global story that is relevant to the contemporary issues of our time. Revised and updated throughout, the second edition of this innovative textbook combines clear chronological progression with thematically focused chapters divided into six parts as follows: PART 1. EMERGENCE (Human origins to 500 CE) PART 2. ORDER (1 CE-1500 CE) PART 3. CONNECTIONS (500-1600 CE) PART 4. BRIDGING WORLDS (1300-1800 CE) PART 5. TRANSFORMING LIVES (1500-1900) PART 6. FORGING A GLOBAL COMMUNITY (1800- Present) The expanded new edition features an impressive full-color design with a host of illustrations, maps and primary source excerpts integrated throughout. Chapter opening timelines supply context for the material ahead, while end of chapter questions and annotated additional resources provide students with the tools for independent study. Each chapter and part boasts introductory and summary essays that guide the reader in comprehending the relevant theme. In addition, the companion website offers a range of resources including an interactive historical timeline, an indispensable study skills section for students, tips for teaching and learning thematically, and PowerPoint slides, lecture material and discussion questions in a

password protected area for instructors. This textbook provides a basic introduction for all students of World History, incorporating thematic perspectives that encourage critical thinking, link to globally relevant contemporary issues, and stimulate further study.

The History of Persia from the Most Early Period to the Present Time Jun 19 2022

History of the Inductive Sciences Sep 29 2020

American History, Volume 2 Oct 23 2022 American History volume 2 gives a wide overview of America's history from the end of the Civil War era, to the political and cultural struggles of contemporary times. Thomas S. Kidd employs lessons learned from his own scholarly expertise and history classes to weave together a compelling narrative of the defeats and triumphs that have defined the American national experience. Unlike many textbooks of modern American history, religion and faith remain central aspects of the book's coverage, through present-day America. It gives detailed treatment of episodes such as America's military conflicts, the Civil Rights movement, and the culture wars of the past half-century. Professor Kidd also considers the development of America's obsession with entertainment, from the rise of the first movies, to the social media age. American History volume 2 will help students wrestle with the political and cultural changes that have dramatically transformed contemporary American life

Jehovah's Witnesses in Europe Jul 08 2021 The religious association of Jehovah's Witnesses has existed for about 150 years in Europe. How Jehovah's Witnesses found their way in these countries has depended upon the way this missionary association was treated by the majority of the non-Witness population, the government and established churches. In this respect, the history of Jehovah's Witnesses in Europe is also a history of the social constitution of these countries and their willingness to accept and integrate religious minorities. Jehovah's Witnesses faced suppression and persecution not only in dictatorships, but also in some democratic states. In other countries, however, they developed in relative freedom. How the different situations in the various national societies affected the religious association and what challenges Jehovah's Witnesses had to overcome - and still do in part even until our day - is the theme of this history volume.

American Realities Jan 02 2021 A CHILLING NOVEL ABOUT THE ISOLATION OF BEING STALKED AND THE ABUSE OF POWER. Olivia Peters is over the moon when her literary idol, the celebrated novelist and muchadored local priest Mark D. Brendan, offers to become her personal writing mentor. But when Father Mark's enthusiasm for Olivia's prose develops into something more, Olivia's emotions quickly shift from wonder to confusion to despair. Exactly what game is Father Mark playing, and how on earth can she get out of it? This remarkable novel about overcoming the isolation that stems from victimization is powerful, luminous, and impossible to put down.

Presents Jul 20 2022 "Shunned at school and ignored by her parents, young Karumi never received presents on her birthday. Years pass, and Karumi never ages, simply because she has never opened a present. Now, as an older woman trapped in a young girl's body, it is her calling to travel around and bestow gifts on others. Unfortunately, these presents never quite turn out to be what the recipients desired. There is always a dark side to the gifts and a high, usually fatal price to pay"--

A Companion to the History of the Book Apr 17 2022 A COMPANION TO THE HISTORY OF THE BOOK A COMPANION TO THE HISTORY OF THE BOOK Edited by Simon Eliot and Jonathan Rose "As a stimulating overview of the multidimensional present state of the field, the Companion has no peer." Choice "If you want to understand how cultures come into being, endure, and change, then

you need to come to terms with the rich and often surprising history Of the book ... Eliot and Rose have done a fine job. Their volume can be heartily recommended. “ Adrian Johns, *Technology and Culture* From the early Sumerian clay tablet through to the emergence of the electronic text, this Companion provides a continuous and coherent account of the history of the book. A team of expert contributors draws on the latest research in order to offer a cogent, transcontinental narrative. Many of them use illustrative examples and case studies of well-known texts, conveying the excitement surrounding this rapidly developing field. The Companion is organized around four distinct approaches to the history of the book. First, it introduces the variety of methods used by book historians and allied specialists, from the long-established discipline of bibliography to newer IT-based approaches. Next, it provides a broad chronological survey of the forms and content of texts. The third section situates the book in the context of text culture as a whole, while the final section addresses broader issues, such as literacy, copyright, and the future of the book.

Civilization Past & Present Apr 24 2020

Being Brown Sep 10 2021 *Being Brown: Sonia Sotomayor and the Latino Question* tells the story of the country's first Latina Supreme Court Associate Justice's rise to the pinnacle of American public life at a moment of profound demographic and political transformation. While Sotomayor's confirmation appeared to signal the greater acceptance and inclusion of Latinos—the nation's largest “minority majority”—the uncritical embrace of her status as a “possibility model” and icon paradoxically erased the fact that her success was due to civil rights policies and safeguards that no longer existed. *Being Brown* analyzes Sotomayor's story of success and accomplishment, despite seemingly insurmountable odds, in order to ask: What do we lose in democratic practice when we allow symbolic inclusion to supplant the work of meaningful political enfranchisement? In a historical moment of resurgent racism, unrelenting Latino bashing, and previously unimaginable “blood and soil” Nazism, *Being Brown* explains what we stand to lose when we allow democratic values to be trampled for the sake of political expediency, and demonstrates how understanding “the Latino question” can fortify democratic practice. *Being Brown* provides the historical vocabulary for understanding why the Latino body politic is central to the country's future and why Sonia Sotomayor's biography provides an important window into understanding America, and the country's largest minority majority, at this historical juncture. In the process, *Being Brown* counters “alternative facts” with historical precision and ethical clarity to invigorate the best of democratic

practice at a historical moment when we need it most.

A History of Wine in America, Volume 1 Sep 22 2022 The Vikings called North America "Vinland," the land of wine. Giovanni de Verrazzano, the Italian explorer who first described the grapes of the New World, was sure that "they would yield excellent wines." And when the English settlers found grapes growing so thickly that they covered the ground down to the very seashore, they concluded that "in all the world the like abundance is not to be found." Thus, from the very beginning the promise of America was, in part, the alluring promise of wine. How that promise was repeatedly baffled, how its realization was gradually begun, and how at last it has been triumphantly fulfilled is the story told in this book. It is a story that touches on nearly every section of the United States and includes the whole range of American society from the founders to the latest immigrants. Germans in Pennsylvania, Swiss in Georgia, Minorcans in Florida, Italians in Arkansas, French in Kansas, Chinese in California—all contributed to the domestication of Bacchus in the New World. So too did innumerable individuals, institutions, and organizations. Prominent politicians, obscure farmers, eager amateurs, sober scientists: these and all the other kinds and conditions of American men and women figure in the story. The history of wine in America is, in many ways, the history of American origins and of American enterprise in microcosm. While much of that history has been lost to sight, especially after Prohibition, the recovery of the record has been the goal of many investigators over the years, and the results are here brought together for the first time. In print in its entirety for the first time, *A History of Wine in America* is the most comprehensive account of winemaking in the United States, from the Norse discovery of native grapes in 1001 A.D., through Prohibition, and up to the present expansion of winemaking in every state.

Voices of a People's History of the United States Aug 29 2020 Here in their own words are Frederick Douglass, George Jackson, Chief Joseph, Martin Luther King Jr., Plough Jogger, Sacco and Vanzetti, Patti Smith, Bruce Springsteen, Mark Twain, and Malcolm X, to name just a few of the hundreds of voices that appear in *Voices of a People's History of the United States*, edited by Howard Zinn and Anthony Arnove. Paralleling the twenty-four chapters of Zinn's *A People's History of the United States*, *Voices of a People's History* is the long-awaited companion volume to the national bestseller. For *Voices*, Zinn and Arnove have selected testimonies to living history—speeches, letters, poems, songs—left by the people who make history happen but who usually are left out of history books—women, workers, nonwhites. Zinn has written short introductions to the texts, which range in length from letters or poems of less than a page to entire speeches and essays that run several pages. *Voices of a People's History* is a symphony of our nation's original voices, rich in ideas and actions, the embodiment of the power of civil disobedience and dissent wherein lies our nation's true spirit of defiance and resilience.
