The Giving Tree

Apr 06 2021 As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So

begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel

Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!*, and *Runny Babbit*. The Storyteller's Secret Jun 20 2022

How did a Venice Beach T-shirt vendor become television's most successful producer? How did an entrepreneur who started in a garage create the most iconic product launches in business history? How did a timid pastor's son overcome a paralyzing fear of public speaking to captivate sold-out crowds at Yankee Stadium, twice? How did a human rights attorney earn TED's longest standing ovation, and how did a Facebook executive launch a movement to encourage millions of women to "lean in"? They told brilliant

stories. In *The Storyteller's Secret: From TED Speakers to Business Legends, Why Some Ideas Catch on and Others Don't*, keynote speaker, bestselling author, and communication expert Carmine Gallo reveals the keys to telling powerful stories that inspire, motivate, educate, build brands, launch movements, and change lives. *The New York Times* has called a well-told story "a strategic tool with irresistible power" - the proof lies in the success stories of 50 icons, leaders, and legends featured in *The Storyteller's Secret*: entrepreneurs like Richard Branson, Sara Blakely, Elon Musk, Steve Jobs,

and Sheryl Sandberg; spellbinding speakers like Dr. Martin Luther King, Jr., Bryan Stevenson, and Malala Yousafzai; and business leaders behind famous brands such as Starbucks, Southwest Airlines, Wynn Resorts, Whole Foods, and Pixar. Whether your goal is to educate, fundraise, inspire teams, build an award-winning culture, or to deliver memorable presentations, a story is your most valuable asset and your competitive advantage. In *The Storyteller's Secret*, Gallo explains why the brain is hardwired to love stories - especially rags-to-riches stories - and how

the latest science can help you craft a persuasive narrative that wins hearts and minds. "The art of storytelling can be used to drive change," says billionaire entrepreneur Richard Branson. And since the next decade will see the most change our civilization has ever known, your story will radically transform your business, your life, and the lives of those you touch. Ideas that catch on are wrapped in story. Your story can change the world. Isn't it time you shared yours? The Secret Jan 15 2022 The tenth-anniversary edition of the book that changed lives in profound ways, now

with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use

The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard

as impossible.

"Casey is a true craftswoman, a writer who beguiles one through the most twisted of plots with a confident and seductive hand. Let The Dead Speak is sharp, complex and gripping to the very end" Alex Marwood, bestselling author of Wicked Girls and The Killer Next Door When eighteen-year-old Chloe Emery returns to her West London home she finds her mother missing, the house covered in blood. their attention to the neighbours. The ultra-religious Norrises are acting suspiciously; their teenage daughter and Chloe Emery definitely have something to hide. Then there's William Turner, once accused of stabbing a schoolmate and the neighborhood's favorite criminal. Is he merely a scapegoat, or is there more behind the charismatic façade? As a body fails to materialize, Maeve must piece together a patchwork of testimonies and accusations. Who is lying, and who is not? And soon Maeve starts to realize that not only will the answer lead to Kate Emery, but more lives may

hang in the balance. With Let the Dead Speak, Jane Casey returns with another taut, richly drawn novel that will grip readers from the opening pages to the stunning conclusion.

There were moments when I laughed, moments where I gasped in surprise, and moments where I knew I could not read fast enough because I had to know what was going to happen next... My only complaint? That it ended and now I need to wait.

I must know what happens next. I must!!!!' Series Tracker 'Are you ready for a grip the edge of your seat-repeating mantra of OMG as you turn the pages eagerly? Looking for something with intensity but also something that leaves you begging for more??? Looking for a new fav??? YES. This book is all of what you need and so much more! Go Into This One Knowing. Best. Book. Ever.' Crossroad Reviews 'This was incredible!... such a slow burn romance but the build-up had my heart beating out of my chest, the angst and suspense was killing me... This book was perfectly paced and the lack

of info-dumping, love triangles and insta-love made for a perfect start to a new series. Switching from POV's from England and Paris and following the characters as they go from across countries was a great concept. With the addition of magic, action and adventure this book could really do no wrong in my eyes. There isn't a cliffhanger ending just the promise of lots more to come in the next installment which I'm now anxiously awaiting. I highly recommend this to fellow fantasy lovers who are looking for a brand new world to immerse themselves in, with great characters, a

promising romance and a thrilling journey ahead.' Literary-ly Obsessed 'I love this book! It was really great! I've always loved books that include Alchemy as its major fantasy core, I just think that it's such a fascinating 'science'! ... I read the first chapter, and I was completely swept into this amazing world! ... can't wait until the second book comes out, and to continue exploring this amazing story! Bookseller Pick of the Lists, 1997 Are boys and girls different on the inside? How do you tell girls and boys apart? Do girls and boys have the same feelings? Is sex a dirty word? Where do babies come from? What does being pregnant mean? How do you get a belly button? Tell me about when I was a baby...

The Name of this Book Is Secret Jan 23 2020 Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old

heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Let This Be Our Secret Dec 22 2019 May 1991. The location: a quiet, picturesque seaside town. The scene: two bodies in a car filled with carbon monoxide. Police

officer Trevor Buchanan and nurse Lesley Howell have apparently taken their own lives, unable to live with the pain of their spouses' affair with each other. The adulterous pair - Sunday school teacher Hazel Buchanan and dentist Colin Howell - had met in the local Baptist Church. Following the apparent double-suicide, they continue their affair secretly before both later remarrying. A series of disasters in Howell's life - the death of his eldest son, massive losses in an investment scam and the revelation that he has been sexually assaulting female patients -

lead to him declaring that he is a fraud and a godless man. He tells the elders of his Church that he and Hazel Stewart conspired together to murder their spouses nearly two decades earlier. What follows the dramatic confession are two of the most sensational murder investigations ever seen in Ireland, leading to both Howell's conviction for murder in December 2010, and Stewart's in March 2011 - despite her protestations of innocence.

Sergeant Jen Says...
Oct 20 2019 First in a series of twelve, this book is designed to teach children a fun way to practice different scenarios that they

might encounter when dealing with strangers and what to do during different situations. Sergeant Jen teaches them how to play the "what-if" game and all about the importance of having a secret word. By following these techniques, a child can gain the confidence and knowledge that they have choices when dealing with strangers.

The Trouble with Secrets Aug 22 2022 Aimed at helping children understand which secrets should be shared with an adult and which can be kept, this book teaches that while it can be fun to keep exciting surprises, any secrets that cause children anxiety or

worry should be shared right away-- even if they've been told to keep silent. This is a useful tool for sexual abuse prevention.

Tale and The Testaments weaves together strands of gothic suspense, romance, and science fiction into one utterly spellbinding narrative, beginning with the mysterious death of a young woman named Laura Chase in 1945. Decades later, Laura's sister Iris recounts her memories of their childhood, and of the dramatic deaths that have punctuated their wealthy, eccentric family's history. manner.

reader on SwoonReads.com *I Don't Want to Talk About It* Dec 26 2022 A revolutionary and hopeful look at depression as a silent epidemic in men that manifests as workaholism, alcoholism, rage, difficulty with intimacy, and abusive behavior by the cofounder of Harvard's Gender Research Project. Twenty years of experience treating men and their families has convinced psychotherapist Terrence Real that depression is a silent epidemic in men—that men hide their condition from family, friends, and themselves to avoid the stigma of depression's "unmanliness."

Problems that we think of as typically male—difficulty with intimacy, workaholism, alcoholism, abusive behavior, and rage—are really attempts to escape depression. And these escape attempts only hurt the people men love and pass their condition on to their children. This groundbreaking book is the "pathway out of darkness" that these men and their families seek. Real reveals how men can unearth their pain, heal themselves, restore relationships, and break the legacy of abuse. He mixes penetrating analysis with compelling tales of his patients and even his own

experiences with depression as the son of a violent, depressed father and the father of two young sons. *I Said No!* Oct 24 2022 Written from a child's point of view, advises young readers on ways to handle a variety of problematic situations, provides an easy-to-use system to help children rehearse and remember appropriate responses to keep them safe, and includes coverage of where to go for help and how to deal with shame and guilt.

They agree that it is best to talk openly and often about touch, even about touch that seems okay. The family in the

book also role models a healthy response to a child's disclosure of sexual abuse. Ages 4 and up. "e;No Touching Secrets! is sensitively written by Melissa Pirwani and beautifully illustrated by Becky Fawson. It deals with a topic that we know parents can find difficult to discuss with their children, and may not be sure about where or when to begin. This gentle story has important messages for both children and parents. For children, it is written in a way that is affirming, will be meaningful to young children, and teaches them about touching, private parts, and body integrity. For

parents, through the voice of Emily's mom (mum), we learn ways to have talks with children about private parts touching: the questions to ask, the explanations to give, the actions to take. I highly recommend it!Sandy K. Wurtele, Ph.D.Creator of the Body Safety Training Program [We Need to Talk About Kevin](#) Oct 12 2021 The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's

deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's

become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a

book that the Boston Globe describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family. *The Colors of the Rainbow* May 27 2020 Children are encouraged to celebrate and appreciate both their own and other people's differences

and shows how, when people of different races and ethnic backgrounds come together, they make a beautiful rainbow.
