Hold Fast Your Crown May 30 2021 "A story of madness, art,

alcohol and creativity...elegantly translated...vivid." —New York Times An exasperated writer obsessed with American cinema embarks on an increasingly bizarre journey in this heady, engrossing novel. A man writes an enormous screenplay on the life of Herman Melville. Not a single producer is interested in it. One day, someone gives him the phone number of the great American filmmaker Michael Cimino, legendary director of *The Deer Hunter* and *Heaven's Gate*. A meeting is arranged in New York, and Cimino reads the manuscript. What follows is a series of crazy adventures through Ellis Island, the Musée de la Chasse in Paris, a lake in Italy. We run into Isabelle Huppert, Diana the hunting goddess, a Dalmatian named Sabbat, a diabolical neighbor, and two shady characters with conspicuous mustaches. There's also a pretty PhD student, an unpleasant concierge, and an aggressive maître d' who looks like Emmanuel Macron... This improbable, insightful tale bridges the divide between cinema and literature in unexpected ways that are at once gratifying and profound.

You Can...Achieve the American Dream with the Right Keys Jan 18 2023 In today's tighten lending environment many people believe that their hopes and dreams of home ownership must be deferred or forgotten. It seems as if the doors to obtaining mortgage financing have been locked shut. But with the right keys you can open any door, that's why *You Can Achieve The American Dream...With the Right Keys* is a must read for anyone wanting to purchase a home, become a real estate investor, refinance their current home or modify the terms of their

mortgage to avoid foreclosure or to simply lower their monthly mortgage payment. Are you one of the millions of people who have put your dream of buying a home on hold due to the belief that mortgage lenders are not approving anyone, unless they have a 700 plus credit score? Do you need to refinance your home to a lower interest rate or before your adjustable rate mortgage increases, but you feel that the value of your home may have decreased? Or is your family one of the millions of families that are struggling to pay their mortgage or ever several months behind on your mortgage, and you're wondering what can you do to avoid foreclosure and save your home? Wonder and search no more, the keys to getting your mortgage company to say yes, are in your hands. Over the past 20 years James Rivers has assisted in making the dreams of thousands of families a reality. His clients range from families on fixed incomes who needed a mortgage to purchase a \$40,000 home to professional athletes and entertainers in need of financing to purchase multi-million dollar homes. James often recounts assisting one of his first families with buying their very first home. It was the home that the family had driven by and dreamed of one day owning. Their dream came true. Although, the economic climate and the mortgage industry has changed over the years, James Rivers' passion for helping people obtain the mortgage financing that best fits their needs has not. In his book *You Can Achieve The American Dream...With The Right Keys* he shares his wealth of knowledge and insight in a very straight forward and honest approach. His book provides a clear step-by-step road map to anyone wanting to purchase a home, become a real estate investor, refinance their current home, or modify the terms of their mortgage to avoid foreclosure or to

Profitable Growth. *Every Business Is a Growth Business* is your one-stop guide to making profitable growth happen. It's a radical and refreshing source of ideas, inspiration, and common sense, all based on the unparalleled experience and access of Ram Charan and Noel Tichy. Charan and Tichy have worked with some of the world's leading executives--people such as Jack Welch of GE, Eckhard Pfeiffer of Compaq, Larry Bossidy of Allied Signal, John Reed of Citigroup, Dick Brown of Cable & Wireless, Alex Trotman and Jacques Nasser of Ford, and the senior management of Coca-Cola--who have transformed their companies into profitable growth machines. *Every Business Is a Growth Business* is a distillation of what the authors and these unique leaders have learned about profitable growth: If your business isn't growing sustainably and profitably, it's dying. Every Business Is a Growth Business includes inside accounts of how GE Medical, Allied Signal, Compaq, Citibank, Reynolds and Reynolds, Praxair, and GE Capital developed profitable growth strategies. It includes "The Handbook for Growth," a highly practical guide that will be an immense help as you and your team develop your company's profitable growth strategy.

Clearly May 10 2022 Poor vision is the largest unaddressed disability in the world today. An estimated 2.5 billion people, mostly living in the poorest parts of the planet and a majority of whom are women, cannot see clearly and have no access to treatment. Yet for 80 per cent of the 2.5 billion, all they need is a simple pair of prescription spectacles. Tackling this problem would unlock billions of dollars in productivity gains. It would give young people a better chance in school, would help women live better lives, and is critical to eliminating poverty. However, despite the potentially huge return on investment, basic eye care is low on the list of priorities for poor countries and donors. In this extraordinary book, businessman and philanthropist James Chen asks why this should be, and describes his mission to help the world to see. In *Clearly*, Chen reveals the personal stories of some of those afflicted and identifies the barriers to delivering access to glasses for all. He delivers a passionate call to governments to act and calls on business, technology and medicine to come together and find a solution to this global problem.
