Diamond Ring Buying Guide Jun 07 2021 This updated and revised 8th Edition provides concise yet detailed information on diamond quality evaluation, lab-grown diamonds, fakes, gem treatments, cutting styles, gold, platinum, palladium, silver, alternative metals, settings, ring selection, diamond grading reports, gem care and buying tips. Its a visual guide that helps you select the best diamonds and mounting for your budget and needs. Written in clear, everyday English, with lots of colour photos, the book shows you step-by-step how to evaluate diamonds and settings. It has helped thousands of diamond buyers make smart choices and is a useful reference for jewelry salespeople when answering customers questions about diamonds, precious metals and settings. A Gems & Gemology review described the previous edition of the Diamond Ring Buying Guide as An entire course on judging diamonds in 155 pages of well-organised information ... the book serves as a checklist for the purchase, mounting and care of a diamond. The photos are excellent. Brides magazine wrote: "Want to feel truly confident in the jewelry store? Read the Diamond Ring Buying Guide by an industry insider, which will teach you how to judge a quality diamond. What We Love: The seriously savvy shopping tips and the massive colour photos that reveal what diamonds look like under a loupe".

Consumer Reports Jan 14 2022 Consumers Union, the publisher of Consumer Reports, has been an influential and defining force in American society since 1936. The organization's mission has remained essentially unchanged: to work for a fair, just, and safe marketplace for all consumers. The Consumers Union National Testing and Research Center in Yonkers, New York, is the largest nonprofit educational and consumer product testing center in the world. In addition to its testing facility in Yonkers and a state-of-the-art auto test center in Connecticut, the organization maintains advocacy offices in San Francisco, Austin, and Washington, D.C., where staff members work on national campaigns to inform and protect consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including www.ConsumerReports.org and www.ConsumersUnion.org, and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.

Pearl Buying Guide Sep 10 2021 Initially published in 1992, the Pearl Buying Guide was the first book to give consumers details on judging pearl quality and value. The 186 new colour photographs in this updated 6th edition show new types of pearls, clasps and jewellery styles. Current information has been provided on natural pearls, treatments, cultivation and identification techniques. Although technical data is included to aid gemologists in detecting treatments and identifying pearls, the easy reading style and the 364 photos make this a customer-friendly book for both consumers and professionals. If youre looking for an easy-to-read, full colour, affordable pearl handbook that will help you select flattering pearls and spot fakes, this 6th Edition is the best choice available. 186 new photographs of pearls, pearl jewellery, neck pieces and pearl x-radiographs. Updated information on pearl types, geographic sources and freshwater pearls. Expanded chapter on natural pearls. Expanded chapter on "Creating Unique Pearl Jewelry with Colored Gems". New pearls and pearl jewellery styles.

Jewelry & Gems The Buying Guide Nov 12 2021 to this edition In working with my own clients to acquire gemstones and jewelry since this book was first published in 1984, they have pointed out that most people buy "jewelry" and not "gemstones." Because the book offers so much practical advice and money-saving tips about buying jewelry, they urged me to change the title. So, in this edition The Complete Guide to Buying Gems has been changed to Jewelry & Gems: The Buying Guide. Consumer and professional response to the book has been very gratifying. Almost 14,000 hardcover copies are in circulation. We have received hundreds of letters, phone calls and in-person comments about the helpfulness and interesting information it provides. We thank you for encouraging us to make the book more widely available by bringing out this softcover edition. We have taken the opportunity of this softcover edition to update the price guides for diamonds and colored gemstones and, in light of the increase in both the popularity and price of pearls, to add a price guide for them in the "Guide to Popular Gems and Their Prices." Also, we want to take this opportunity to comment further on gem invest ment, taking into account major developments since the original manuscript was written in 1980.

Colored Gemstones May 06 2021 Purchasing coloured gemstones can be a magical experience, filled with excitement and anticipation. But lack of information, error, or misrepresentation can make buying gemstones confusing, intimidating, overwhelming, and costly. With more varieties than ever before to choose from, including altogether new gems, revolutionary new cuts, and new ways to buy gems -- such as internet auctions and TV shopping -- there has never been a more exciting time to buy or collect coloured gemstones. But there are also new high-tech treatments and sophisticated frauds to look out for. Lack of information, error, or misrepresentation can make the thrill of buying a gem or piece of jewellery confusing, intimidating, overwhelming, and costly. Buyers need a source of expert guidance. To help you avoid the pitfalls and keep the magic, Antoinette Matlins, an internationally respected expert on buying gems, puts her insider knowledge to work for you in this easy-to-read, easy-to-use guide. Practical, comprehensive, and easy to understand, the guide offers in depth all the information you need in order to know what to look for and what to look out for, including: what qualifies as a 'gemstone'?; how to evaluate colour -- and its impact on price; deciding between a natural gem and an enhanced gem; coloured gemstone synthesis and treatment; what to ask when buying the stone; what to get in writing; how to get what you want within your budget; price guides for popular gems, opals, and synthetic stones; And much, much more!
