Discover what the Bible says about friends, school, faith and much more. This high quality, hardbound edition is filled with scripture-based statements of faith to begin every day of the year. Written in the child's everyday language. "A compelling spiritual memoir that traces Bignon's fascinating quest for answers to life's most profound questions." —Lee Strobel God Wasn't In His Plans Until . . . Guillaume Bignon was a French atheist . . . and he was perfectly happy. He was very successful as a software engineer in finance, a musician, and a volleyball player. Yet a chance encounter with a beautiful woman would change the way he thought about his life and beliefs forever. Confessions of a French Atheist is the unusual story of Guillaume Bignon—a man who didn't need God but who grew to believe in God after he thought through the nature of morality, the relationship between science and faith, the supernatural, and the reliability of the Bible. With rigorous

reasoning, remarkable authenticity, and a sense of humor, Guillaume takes the reader on a journey of his innermost questions and surprising discoveries. "But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed." Isaiah 53:5 KJV Andrew Murray once said, "Jesus came to deliver men from sin and sickness that He might make known the love of the Father." Yet we live in a skeptical world where millions are not convinced that God still performs miracles today. Small wonder that even in Christian churches, few people avail themselves of God's gracious provision of healing. *God's Word for Your Healing* is a powerful tool for anyone who has ever experienced doubts about God's desire to heal - or who simply wants to know more about what the Bible has to say on healing. But this book is truly for the person who needs hope and instruction on how to receive a divine healing touch from God in their own life right now. This is my story. Everyone has one. My story involves waiting on and trusting in God. This is not a blind faith. I believe this book will help anyone that is currently waiting on God to answer a prayer, anyone that is struggling with doubt and fears about While Jesus died slowly and painfully on a cross at Golgotha, three men, in a Jerusalem upper room, sat in on a sinister resurrection conspiracy which they never thought would change world history Who were these men? What were their motives? Who was the young man in long white garment the disciples found sitting in Jesus tomb on the morning of Jesus resurrection (Mark 16:5). What happened to the body of Jesus missing on the resurrection morning? Maverick Professor John Thomas Didymus a creative but sensitive mind unable to find succor in the age-old traditions of Christianity receives, while recuperating on a psychiatric hospital bed on the Isle of Patmos, healing divine visitations and empowering trumpet-call revelations of new Gospel truth. He reviews the historical evidence for a conspiracy theory of the resurrection in a compelling but disturbing alternative historical account of behind-the-gospel-scene political power intrigue and counter-intrigue trailing the ministry of Jesus from Galilee to Judea, Golgotha, the resurrection conspiracy and beyond. Rebounding, finally, from the depths of mental illness, back to his job at the university, and now succored by his former nurse Mary Magdalene, John Thomas Didymus 's career builds up into an apocalyptic confrontation with his colleagues of the ivory towers who ridicule his alternative gospel his pet Metaphysical Theory of Everything: A theory designed to grasp the entire spacetime fabric

of reality in one fell swoop. A theory, the cognitive mutations of a mind functioning precariously, dangerously on the edge of mental chaos, beyond mere genius, bearing his cross, amid hostile jeers and taunts, Christ-like to Golgotha, on a lonely, narrow, ascending cognitive bio-evolutionary pathway to infinity Continuing his groundbreaking reappraisal of the Confessions, Carl G. Vaught shows how Augustine's solutions to philosophical and theological problems emerge and discusses the longstanding question of the work's unity. David Johnson examines the Christian spiritual life using the Book of Confessions of the Presbyterian Church (U.S.A.) as a guide. If God wanted April Grace to be kind to her neighbors, He should have made them nicer! Growing up in the country is never easy, but it sure is funny—especially if you happen to have a sister obsessed with being glamorous, a grandma just discovering make-up, hippie friends who never shower, and brand new neighbors from the city who test everyone's patience. From disastrous dye jobs to forced apologies and elderly date tagalongs, you'll laugh 'til you cry as you read the Confessions of April Grace! Here are just a couple of April's thoughts: On her sister, Myra Sue: "How anyone can be that dumb and still be able to eat with a fork is beyond me." On senior citizen lovebirds: "What if they started smooching right at the table in front of God and everybody?" In spite of all the loony characters in her life, April Grace is able to learn from her parents as they share the love of God—to even the craziest of characters! In this moving autobiography, Zig Ziglar puts to test the notion that born-again Christians should wander through lifebearing long faces and short pocketbooks. Dynamic, charismatic, and a spectacular success by any standard, Zig and his life story are proof positive that you don't "pay" the price for serving the Lord but, instead, you can enjoy the NOW benefits of serving Him. Amanda is a raging perfectionist. She begins each day with a long list. "Keep the house picked up; limit myself to two Diet Cokes; spend special time with each of the kids; work out; pray; avoid sugar; read a chapter in a book about something very important; read my Bible; call my mom." She determines each day's worth, and ultimately her own, by keeping track of her stats—pounds gained or lost, stuff accomplished. That is, until God spoke into her life, waking her up to the true costs of her addiction to perfection. Confessions of a Raging Perfectionist is more than Amanda's confession; it's a journey of letting go of the subtle but destructive idols of her overactive inner voice and replacing them with God's truth. Amanda hopes her journey can inspire others to let God dig in to their own lives,

uncovering the subtle lies we unconsciously live by. Why does it so often feel like Christians can't talk about the real, hard stuff in life? We know our lives should reflect Jesus; what He did and said, and how He interacted with others. But if we're being honest, there are days when we face tough, confusing things that can make us feel, well, very not like Jesus. As our culture moves further from truth and grace, Christians are burned-out, isolated, and unsure of where to turn for sound biblical advice that applies to their everyday struggles. If you've ever felt this way or wished someone would talk about things like forgiveness, mental health, broken friendships, redirected dreams, sex, facts versus feelings, church hurt, rest, weakness, healing, and more in honest, down-to-earth terms while sticking to what Scripture has to say about them, you've come to the right place. Confessions of a Crappy Christian is for you if you have ever thought you're too messed up for church feel exhausted and alone in your struggles think you need to complete a checklist before God will love you need a friend who cares about you too much to let you stay stuck With honesty and vulnerability, Blake Guichet, host of the popular podcast Confessions of a Crappy Christian, helps us embrace the truth that we can't do it all perfectly and gives us the wisdom, guidance, and hope to move from "crappy" Christian into a freer and fuller walk with Christ. This reappraisal of the middle section of Augustine's Confessions covers the period of Augustine's conversion to Christianity. The author argues against the prevailing Neoplatonic interpretation of Augustine. It has been proven that every human situation answers to the power of the Word of God. The Ultimate Confession Book gives you the understanding and teaches you how to speak the Word of God into your life and situations. It shows you how to use the Word of God to rule over your life affairs. Divided into 8 chapters, the book covers: The Authority and Power of the Word of God. 20 Things You Should Know About the Word of Man. 55 Things the Word of God Can Do in Your Life and Family. Use the Ultimate Confession

Book and speak the Word of God into your life for all-around blessing and fulfilment. Discover God in the messiness of your marriage, as popular marriage and family columnist Joshua Rogers offers spouses hope with real-life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship. Confessions of a Happily Married Man is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom--but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all. In Confessions of a Christian, you will experience examples of Christ at work in daily life contexts that you can relate to. Where are you in your walk with Christ? Do you believe that He is aware of your circumstances and wants a relationship with you? Even if you have a personal relationship with Christ already, Confessions of a Christian will help you see that you don't need to be intimidated by your past or present circumstances, and that in fact God wants to hear about them and walk with you, right through them, every day. Through the author's shared personal experiences, study questions, and multiple opportunities to pray and reflect, draw closer to Christ and begin—or continue—your walk with Him by your side. God Wants You to Prosper! God's Word is full of financial promises and His desire for you to have an abundant life. As you read and declare God's Word over your finances, faith will begin to build in your heart for these promises to come to pass. You will receive the wisdom of God and have His Word working behind the scenes on your behalf! The book of Proverbs states that life and death are in the power of the tongue. What you talk about, you bring to pass. Start declaring these Scripture Confessions for yourself and your loved ones and set your life on course for an abundant future! The Confessions of St. Augustine, Villanova Edition for Students and Faculty e-book is a multi-modal resource designed to supplement deeper reading with highlighting and notation and to

engage students through audio, visual, and critical analysis. It includes standard features, such as highlighting, search, and notation, as well as custom elements, like a timeline, map, and art gallery. The audio reader enhances the reading experience, and critical commentaries, written by experts especially for this edition, aid student comprehension of key sections and concepts of the text. The Confessions of Saint Augustine is considered to be the greatest Christian classic. Augustine's notorious life before his baptism raised questions about the genuineness of his conversion. It is his honest struggle with the faith which has given The Confessions such timeless appeal over the last sixteen centuries. Augustine's Confessions is more than mere autobiography, for it is also an impassioned admission of past mistakes (confession at a level most might think of it) and praise of God (confession of another sort, that of love and awe). Given his checkered past, Augustine addressed the concerns of those who doubted the sincerity of his conversion to Christianity and his claim to the post of bishop of Hippo Regius in North Africa. Thus, the text, made up of 13 chapters called "books," serves as an apologia (formal written defense) as well as a hortatory inspiration to others who have not yet converted. Influenced by the Christian approach to reading sacred text as the living Word of God (lectio divina), The Confessions also require a deeper reading than readers may be accustomed to. Lectio divina, rooted in monastic practices of the 4th century AD, is prayerful and approaches a text with a fourfold reading process: read, reflect/meditate, pray and rest in God's presence, and resolve to grow and change in this new understanding. Augustine's great work has impacted not only theology but also philosophy, especially in discussion of time and memory. My purpose for writing this confessions book is to inform, encourage, edify, comfort and inspire people from ages 10 and up. To show them the importance of experiencing a genuine relationship with God. To show that God is a good God and has our best interests at heart. This book is the first of two volumes, expressing our true identity as believers in accordance with the word of God. If anyone knows who we truly are, it is God Himself. I believe this book will stir you up in your heart to know God more intimately in your relationship with Him. It will shed some light on things you may be struggling with, like depression, anxiety, fear, doubt, worry, discouragement, feelings of inadequacy, and more. Whatever it is, God Confessions of a Father, subtitled Living Biblically Balanced in a Cultural World: Sanity in Insanity. This book and the stories I share with you have a

meaning and purpose. As the pages unfold, as you see my life, my heart, my journey with Christ, you will see what the Holy Spirit has taught me. You will read how God has worked through my misunderstanding, my false doctrines, and false beliefs. You will read how the Lord has worked through my family, my home, my relationships, and circumstance to lead me into a deeper love of and for Him. You will read how God's Word and His working in my life has led me into an intimate personal relationship with Christ and how God has used His Word to correct my false doctrines, my false beliefs, and my life. To put it very simply, you will read what I have learned. I am a child of God. The One true living God. I am a servant of the Lord and disciple of Jesus Christ. I am empowered by the Holy Spirit to seek out and bring God's meaning and purpose into my life and to bring glory to the One who created me. I am called to strive to live according to God's Word while trying to live in a world powered by false doctrine and false beliefs. He is my sanity in this world of insanity. I want to state that this book is in no way an attempt to authenticate the Scripture. That has already been done many times over by individuals who are far more knowledgeable than I am and who are true Bible theologians. In these pages, I make reference to the Bible and books of the Bible but generally not direct citations. I hope and I pray that will encourage you to read the Bible for yourself, not just parts, but the whole Bible. I say this, I hope this and I pray this because I know that if you do, you will find what I have found. If we take the cultural glasses off and try to see the world through Christ and live according to God's Word, then we will know sanity in insanity—we will know Christ Jesus. "In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it" (John 1:1-5). "For Christians who love a bit of sass, this delightful guide poignantly explains how to praise God while accepting the messiness that life brings."—*Publisher's Weekly* *God is Crazy About You—Hot Mess and All!* If you're anything like Kerri Pomarolli, you've read Proverbs 31 and thought, "Who is this woman? And what kind of magic unicorn, Energizer Bunny juice does she have on IV?" And you thought social media standards were hard to live up to! As a sought-after comedian living in LA, Kerri knows about impossible standards. "I don't plow, and I don't rise early. When it says she gathers her food from afar, does that mean takeout...?" In

Confessions of a Proverbs 32 Woman, Kerri fearlessly shares the messiness of her own life with wit and honesty. Join her as she delves into the struggles of the modern woman tired of trying and failing to live up to Pinterest-looking, air-brushed, and insta-filtered “real life” role models telling her she’s not quite good enough. And learn the two things you can hold onto for longer than your smartphone: genuine self-awareness and humble God-awareness. Kerri is a self-proclaimed hot mess for Jesus who has learned that God never said our lives would be mess-less, but He also never intended for us to wallow forever without a way through. When you’re at your most hopeless, God and His Word will meet you there, where you’ll find, as Kerri has, that this #hotmess4Jesus thing really can be the best possible life to live. You’ve heard his name—now read his classic spiritual autobiography. Here is Saint Augustine’s Confessions, an important and powerful book abridged and updated for today’s reader and presented in a deluxe, leather-like binding. Written some sixteen hundred years ago, this Christian classic still speaks to readers, addressing concerns that trouble the human heart today just as they did in the fourth and fifth centuries. Confessions gives an account of God’s grace in Augustine’s life—as well as his personal regret over the wickedness of his pre-Christian days. It’s a powerful introduction to a giant of the faith, and an encouraging story of God’s power to change people. This book of Bible studies can be a benefit if you study it by yourself; however, you will also be blessed if you study with a few friends and share thoughts and experiences as you study God’s Word. Be sure to always include a time of prayer when you get together with your sisters. In this way, you are inviting Jesus into the group and building unity. These studies are designed to help you grow deeper in your relationship with Jesus Christ, using different areas such as confidence, self-esteem, faith, grace, and friendship with your sisters in Christ. My hope and prayer is that you use this book of studies to draw closer to the One who redeemed you to walk in victory and that you don’t just know Him in your head, but in your heart as well. Living on planet Earth is all about preparation for Heaven. You will be blessed when you journey through this short earthly life with sisters! WE ALL WANT TO EXPERIENCE successful, even dramatic, spiritual growth. Yet we often feel as though we’re taking “two steps forward, three steps back.” As we learn--and relearn--the same spiritual lessons time and again, we become discouraged, thinking that we are not changing or growing. But, as author Carole Mayhall gently reminds us, such experiences are a normal, even

vital, part of the healthy Christian life. With heart-warming vulnerability, Mayhall explains and illustrates that spiritual growth is a lifelong endeavor--but through it all, your heavenly Father is whispering, "I will uphold you. I will sustain you. I will carry you." Painting a vivid picture of a patient God who loves and shapes you, *Here I Am Again, Lord* offers solid reassurance and motivation to significantly encourage you in your walk with Christ. Confess good things over yourself and those you love with this wonderful collection of positive affirmations of faith. Each card contains key confessions based on the holy scripture that will help you to form a more positive mindset and develop a habit of "speaking well of yourself to yourself" as Jesse Duplantis teaches. Catapult yourself into a higher level of prayer and faith by focusing on good words of life! Topics include: Confidence, Deliverance, Favor, Forgiveness, Guidance, Healing, Joy, Love, Names of God, Peace, Prosperity, Protection, Salvation, Salvation For Loved Ones, Wealth, Wisdom "God is our home but many of us have strayed from our native land. The venerable authors of these *Spiritual Classics* are expert guides-- may we follow their directions home." --Archbishop Desmond Tutu Writing in the last years of the fourth century a.d., Saint Augustine of Hippo created what is at once the first true autobiography in Western literature and among the most sophisticated yet accessible theological arguments in the history of Christianity. With extraordinary candor and psychological acumen, Augustine recounts his passage from a life of sensuality, Manichaeian superstition, and empty careerism to a genuine spiritual awakening, and he articulates views on marriage, morality, and faith that have shaped our discourse ever since. *The Confessions* allows us to appreciate both the startling modernity of Augustine's insights and the imperishable poetry of his voice. With a new Preface by MacArthur Fellow Patricia Hampl, author of *Virgin Time* and *A Romantic Education*. In the annals of spirituality, certain books stand out both for their historical importance and for their continued relevance. The *Vintage Spiritual Classics* series offers the greatest of these works in authoritative new editions, with specially commissioned essays by noted contemporary commentators. Filled with eloquence and fresh insight, encouragement and solace, *Vintage Spiritual Classics* are incomparable resources for all readers who seek a more substantive understanding of mankind's relation to the divine. When we put on the full armor of God (Ephesians 6:10-18), our only offensive weapon is the sword of the Spirit,

which is God's Word. The Confessions Project is a devotional and movement to help believers declare God's promises over their lives because speaking God's truth helps activate our faith. It brings results and answers because God Himself said that His Word would not return empty to Him. We live in a world where insecurity, doubt, and fear run wild. But God has given us the weapons in our arsenal to fight life's challenges. Instead of feeling overwhelmed, anxious, or scared, we can overcome any assault from the enemy with our speech for life and death lies in the power of the tongue (Proverbs 18:21). Providing you with 52 God-given promises to declare over your life, The Confessions Project will help you recognize your authority in Christ and access the Word that is alive and active, sharper than any double-edged sword, with the divine power to demolish strongholds. The Confessions of St. Augustine has a special place among the world's greatest books. As Augustine reflects upon his life in the light of Scripture and the presence of God, he reveals how you can find the way to rest securely in Jesus, discern good from evil, avoid false spiritual pursuits, and know the will of God. He begins with his infancy, pondering the many sins of his life before his conversion, and he confesses not only his sins but even more the greatness of God. Here is the timeless conflict between good and evil, portrayed through the life of one man who found spiritual growth and unshakable faith. Just as Augustine did, you can experience the unspeakable joy of being pure and righteous before God, regardless of your past. This work outlines Augustine's sinful youth and his conversion to Christianity. It is widely seen as the first Western autobiography ever written, and was an influential model for Christian writers throughout the following 1000 years of the Middle Ages. It is not a complete autobiography, as it was written in his early 40s, and he lived long afterwards, producing another important work (City of God); it does, nonetheless, provide an unbroken record of his development of thought and is the most complete record of any single individual from the 4th and 5th centuries. It is a significant theological work. In the work, St. Augustine writes about how much he regrets having led a sinful and immoral life. He shows intense sorrow for his sexual sins, and writes on the importance of sexual morality. He also mentions that his favorite subject in school was mathematics because it was concrete and more rigorously defined than other subjects. The book is thought to be divisible into chapters which symbolize various aspects of the Trinity and trinitarian belief. Through captivating stories, edgy humor, and shocking

confessions, Ginger Hubbard drops the act and gets real in this brutally honest look at the seldom admitted, rarely talked about sins of the heart. Removing her "good Christian" mask, Ginger opens the dark chapters of her heart in order to share about the glorious grace of God toward repentant sinners. Get ready to laugh. Get ready to cry. Get ready for a deeper, more authentic relationship with Jesus Christ. This is what real Christianity is all about. Includes a Seven-Week Bible Study ideal for small groups. She went from a childhood in a highly dysfunctional family to become a workaholic, overachiever, and perfectionist. She would climb the corporate ladder of success in the hotel industry, the world of Playboy Enterprises, and become part owner of the largest men's sweater company. All this "success" came at a fearful cost. Barbara Taylor spiraled downward to the depth of depression and very nearly lost her life in a car crash. And this was just the place where she would find peace, hope, assurance, and certainty-all in Christ Jesus. If you want to see how Jesus can turn a hopeless life completely around, you will thrill at this autobiographical account by someone who has "been there, done that," and has come out of it all to shine a bright light on God's restorative power. This three-part book is birthed out of different experiences in my life over a number of years. Part I, Confessions of My Life, is a collection of fifteen poems. Part II, Sharing My Thoughts, is a collection of thoughts that the Lord used to personally deliver me during a traumatic situation. Part III, Self-Actualize, is an acronym with bible verses and my thoughts added. From My Heart, placed at the beginning of each section, tells the interesting way in which the Lord inspired me to put all this together. This unique collection of Scriptures is a must have for today's busy schedules. Whether at work or home, your reader can find personalized confessions on health and healing that will arm them with the Word of God for life's battles. What do you do if you are an evangelical Christian, politically conservative AND transgender? Evangelical Christians are often attacked by the Left. People who are transgender are often attacked by the Right. It's human nature to align with those who share our world view, and dismiss those who don't. There is a struggle going on in our culture that produces more victims than champions--we all seem to agree on that. The growing divide between the political, ideological Left vs Right and Religious vs Secularist is so sharp that even attempting to bridge the gap is a perilous endeavor. But what happens to the people who are scorned by both sides? Shut out by the Left for their conservative views. Rejected by Christians for

being transgender. Meet Laurie Suzanne Scott. She is, indeed, both an evangelical Christian and transgender. Raised in a devoutly Christian home, she endured the unbelievably difficult and complicated odyssey of finding her identity as a woman ...without losing her identity in Christ. A journey she barely survived. In "God Doesn't Make Mistakes: Confessions of a Transgender Christian" Laurie tells her story of growing up playing a role as unnatural to her as the body she was born with. She was a living, breathing dichotomy... and there was no one who could understand. She had no choice but to keep up the pretense and keep it a secret. She became a good son. A good Christian. And eventually even a good husband. She knew if her true identity became known, she would lose everything.

*E.V.E.R.Y.T.H.I.N.G. So, she kept her secret from everyone. But she knew there was no keeping it from God. Raised with a doctrine she believed condemned her, she decided the only way out of her constant misery was to end her life. "Who would even want to stop me?" "Wouldn't it be easier for everyone this way?" It was at that desperate crossroad she heard the voice of God simply say, "You're okay." Since that day, God has led her on a path to heal her deep wounds of rejection by family as well as other Christians, and make peace with the way she was created. "I thought God would be the first to reject me. But, in fact, He was the first to accept me." Now Laurie reaches out to Christians who are transgender, who are still struggling to believe God loves them for who they are... just as they are. It's a difficult and often emotionally exhausting ministry. Equally important are the efforts to help the Church see their Christian brothers and sisters who are transgender as simply, their Christian brothers and sisters. Nothing more, and nothing less. And finally, she shares the much needed message that God doesn't make mistakes, and it IS possible to be a conservative, a Christian, and transgender. My name is Matt Conover. I am a Litigation God. Other lawyers quake before me. Women crawl on their knees just to spend the night in my bed and when I'm finished with them, I walk away without a backward glance. I am well satisfied with my life and there isn't a damn thing I'd change about it. That is, until McKayla Dawson came along. She was meant to be for one night only. But she got under my skin, and now I want her back underneath my body. It's torture working with her in my law firm... day in and day out. But I have to think maybe the Fates have intervened to throw us together because she is unlike anyone I've ever known, and thus I need to pay careful attention to these Legal Affairs. **** Confessions of a*

Litigation God is a stand alone, full length novel. It follows the affair of Matt Connover and McKayla Dawson as told in Legal Affairs. This book is told strictly from Matt's point of view and has many additional scenes as well as an extended epilogue. You do not need to have read Legal Affairs to enjoy this novel. "A compelling spiritual memoir that traces Bignon's fascinating quest for answers to life's most profound questions." --Lee Strobel

God Wasn't In His Plans Until . . . Guillaume Bignon was a French atheist . . . and he was perfectly happy. He was very successful as a software engineer in finance, a musician, and a volleyball player. Yet a chance encounter with a beautiful woman would change the way he thought about his life and beliefs forever. Confessions of a French Atheist is the unusual story of Guillaume Bignon--a man who didn't need God but who grew to believe in God after he thought through the nature of morality, the relationship between science and faith, the supernatural, and the reliability of the Bible. With rigorous reasoning, remarkable authenticity, and a sense of humor, Guillaume takes the reader on a journey of his innermost questions and surprising discoveries. In a world fraught with evil, encroaching darkness, violence, strife, confusion, attacks on families, failing finances, and health, distractions and emotional instability, man's usual reaction is that of despondency and negative proclamations. In the beginning, when God saw the darkness that covered the face of the earth, He decreed what He wanted to see rather than agree with what He saw. Since we are made in His image, rather than confessing the problem (darkness) we are to confess the solution (the Word) thereby transforming darkness to light. Believing and confessing are an important part of our Christian walk. What becomes manifest in our lives depends on our faith and confession

God's Confessions is the first of four compilations of inspired confessions of God's promises. This book will help you cultivate an awareness of your spiritual blessings and the limitless power of God as well as enable you grow stronger in your faith, as you establish the truth of God's word over you and your household through your declarations. We witness the future saint's fascination with astrology and with the Manichees, and then follow him through scepticism and disillusion with pagan myths until he finally reaches Christian faith. There are brilliant philosophical musings about Platonism and the nature of God, and touching portraits of Augustine's beloved mother, of St. Ambrose of Milan, and of other early Christians like Victorinus, who gave up a distinguished career as a rhetorician to adopt the orthodox faith. Augustine's concerns are often

strikingly contemporary, yet his work contains many references and allusions that are easily understood only with background information about the ancient social and intellectual setting. To make "The Confessions" accessible to contemporary readers, Chadwick provides the most complete and informative notes of any recent translation, and includes an introduction to establish the context. One of the most influential religious books in the Christian tradition recalls crucial events in the author's life: his mid-4th-century origins in rural Algeria; the rise to a lavish lifestyle at the imperial court in Milan; his struggle with sexual desires; eventual renunciation of secular ambitions and marriage; and recovery of his Catholic faith. The Title of the book is Dont Be a Foolish Virgin! The sub-title is Confessions of a Foolish Virgin. When God gave me this title a few years ago, I did not understand what he wanted me to write. As I was studying the Bible a few years later, I came across this scripture, Therefore this is what the LORD says: Inquire among the nations: Who has ever heard anything like this? A most horrible thing has been done by Virgin Israel. Jeremiah 18:13 (NIV) and in Amos 5:1-2a says, Listen, you people of Israel! Listen to this funeral song I am singing: The virgin Israel has fallen Virgin is the Children of Israel, in current day we too are the Children of Israel. All of us are included. My Introduction starts with one of my favorite scriptures, But the jar he was making did not turn out as he had hoped, so he crushed it into a lump of clay again and started over. Jeremiah 18:4. God is giving me an extreme makeover. This book is my story of how God showed me his unconditional love. You will learn what sin is, where sin came from, when and why we sin, who has sinned and the side-effects of sin. You will walk through forgiveness, asking and accepting forgiveness, and forgiving yourself and others. My goal is to help you focus on your state of mind when you fall and prepare you to avoid the attacks of the enemy.
