To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle information, that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both. ★★ Buy the Paperback version of this book and get the eBook version included for FREE ★★ If you are planning on buying a car, I have no doubt that you are excited and that you can't wait to start racking up the miles in your new car. However, buying a car is a high-ticket purchase and it is very wise to know how to approach such a big purchase so that you get what you want while also getting the best price without unneeded extra costs. That is what this book is all about. I don't know anyone who looks forward to interacting with a car salesperson, or any salesperson. However, it is one of the things that inevitably have to

be dealt with. In the past, car salespeople had the edge because there wasn't a lot of information out there which may, otherwise, enable the customer to have leverage in the negotiation process so that they don't get taken advantage of. However, we live in a different time in which information is abundant and ignorance is a choice. The tricks that car salespeople use are no longer a secret. For the price of a coffee, you can purchase information, such as the one within this book, that can help you to avoid paying thousands of extra dollars in the process of buying a car. Imagine what you could do with that extra cash. In this book, you can expect to learn about: -Avoiding dealership scams -Inspecting a car before buying it -How to not to fall for the tricks of car salespeople -Buying a car in ways other than through a car dealership -And much more! If you are ready to get through the process of buying a car as fast as possible and with minimum hassle, so that you can get to the fun part, which is the driving itself, then scrolling over to the BUY button and clicking it is the first step towards that. No other guide on the market covers the volume of comic book listings and range of eras as Comic Book Checklist & Price Guide does, in an easy-to-use checklist format. Readers can access listings for 130,000 comics, issued since 1961, complete with names, cover date, creator information and near-mint pricing. With super-hero art on the cover and collecting details from the experts as America's longest-running magazine about comics in this book,

there is nothing that compares. You're no idiot, of course. You keep your projects on budget at work, shop around to find the best prices on groceries and clothing, and even manage to sock away money for your kids' college tuition. But when it comes to wheeling and dealing to buy a car, you feel like someone else is in the driver's seat. Don't be taken for a ride! Do you want to purchase a motorhome but aren't sure what to look for? Do you need a helpful guide for how to buy a camper for your next family vacation? Do you want to save money on your RV purchase? You need this used RV buyer's guide! My book, *Used Motorhome Buying Guide*, will teach you everything you need to know about how to purchase a used RV, motorhome, travel trailer, or camper of your dreams. Your new motorhome should fit your needs as best as it can. You deserve to travel in comfort and style. Armed with the knowledge of how to get the best deal when buying a used RV, you can save precious money and time. This book will give you vital advice and guidance on how to buy a used motorhome. I am a travel writer by trade but a nomad by choice. Traveling the country by RV is one of the best ways to truly experience nature and adventure. I have lived in my share of different types of recreational vehicles, all with their

own pros and cons. With this nomadic lifestyle comes the challenges of repairs and maintenance of a home on wheels. This book is the culmination of what I have learned about the best practices of how to buy a used RV. The first section of this book is all about the basic factors of RVs. It is important for you to understand all the basics surrounding motorhomes. I help you understand the different types of motorhomes, the features of each type, and the benefits. We also look at the features to expect in an RV and factors to consider before deciding to buy a used RV. I help you compare the benefits of buying a used RV versus buying a new one. This way, you have a clear perspective on your options. In the second section of the book, you are introduced to RV inspections. When purchasing a used RV, the value you get depends on your inspection process. We help you prepare a detailed checklist of everything you desire in an RV. For you to find an RV that matches your needs, you must start by preparing a detailed list of all your needs and expectations. From this list, I help you figure out the features that are the most important and the ones that are not necessary. In the third section, we focus on testing the features of the RV and authenticating the legality of the ride. For anyone looking to buy a used RV, this is one of the most important sections. You can't get a good deal unless you know how to inspect the used RV and test the features. The book outlines the tricks and tips used to detect faults in the plumbing and electrical systems of

the RV. We look at the best way to test drive a used RV and the features to focus on during test drives. We detail the secrets used by RV dealers to hide problems and how to uncover any hidden issues. In the fourth section of the book, we look at all the legal matters that affect used RVs. I help you understand the possibilities of buying an RV that is involved in crime or accidents. We look at some of the ways you can authenticate and verify the legality of an RV. Finally, we look at the risks and precautions involved in buying used RVs. Generally, this last section just helps sum up all the dangers involved in buying used RVs. If you are looking to purchase a used RV, a new RV, or to learn more about RVs, this book is for you. I am sure you have learned a lot, and you are on the path to find the best ride for you and your family. As a BONUS, I have provided you with a detailed checklist to take along with you as perform your pre-purchase inspection. Instructions on obtaining a printable checklist are included. You will want to click "Buy Now" and add this title to your collection and I promise to save you money, headache and frustrations from buying a lemon.
