The Private Memoirs and Confessions of a Justified Sinner Nov 23 2020 Published anonymously in 1824, this gothic mystery novel was written by Scottish author James Hogg. **Confessions of an Illuminati, Volume III** Mar 28 2021 Zagami pushes the boundaries once again with this unique and personal journey into the mysteries of the secretive world of the Dark Cabal. In the third book of this acclaimed series, Zagami explores a variety of cryptic topics that are always verified with documentation. **True Confessions** May 10 2022 In 1940s Los Angeles, an unidentified murder victim is found bisected in a shadowy lot. A catchy nickname is given her in jest—"The Virgin Tramp"—and suddenly a "nice little homicide that would have drifted off the front pages in a couple of days" becomes a storm center. Two brothers, Tom and Des Spellacy, are at the heart of this powerful novel of Irish-Catholic life in Southern California just after World War II. Played in the film version by Robert Duvall and Robert De Niro respectively, Tom is a homicide detective and Des is a priest on the rise within the Church. The murder investigation provides the background against which are played the ever changing loyalties of the two brothers. Theirs is a world of favors and fixes, power and promises, inhabited by priests and pimps, cops and contractors, boxers and jockeys and lesbian fight promoters and lawyers who know how to put the fix in. A fast-paced and often hilarious classic of contemporary fiction, True Confessions is about a crime that has no solutions, only victims. More important, it is about the complex relationship between Tom and Des Spellacy, each tainted with the guilt and hostility that separate brothers.

*The Priesthood, Mystery of Faith* Mar 16 2020 After almost twenty-seven years of his pontificate, what was John Paul II's legacy regarding the ministerial priesthood? What answers did he give to the questions still surrounding this reality today? Nilson Leal de Sá, CB, examines the pontiff's twenty-seven letters of Holy Thursday addressed annually to the priests. Unlike some papal documents, which are drafted by many hands, these letters to priests were born of a personal initiative, wherein the pope spoke ab imo pectore (from the depths of his heart), giving a little of himself and his thought. Cardinal Georges-Marie Cottier, theologian emeritus of the Pontifical House and a connoisseur of the texts of the Holy Father, has confirmed that "the Letters of Holy Thursday were written by John Paul II himself." Leal de Sá has sought in the diversity of the letters of Holy Thursday the major points of the thought of John Paul II on this important topic. The first chapter dwells on the sources of his teaching and emphasizes his use of the Word of God, Tradition, and the conciliar Magisterium. These foundations are the basis of the second chapter, which highlights the priestly identity in the life of the Church. Finally, the third chapter elucidates the specific mission of the priest. The Priesthood, Mystery of Faith presents itself as a real and stimulating synthesis of John Paul II's thought about the ministerial priesthood in a systematic way. It renews us in the appreciation of the inestimable gift that God makes to the whole Church through the sacrament of the Holy Orders.

**The Confessions of Frannie Langton** Aug 21 2020 This breathtaking debut, winner of the Costa First Novel Award, is a murder mystery that travels across the Atlantic and through the darkest channels of history. A brilliant, searing depiction of race, class, and oppression that penetrates the skin and sears the soul, it is the story of a woman of her own making in a world that would see her unmade. All of London is abuzz with the scandalous case of Frannie Langton, accused of the brutal

double murder of her employers, renowned scientist George Benham and his eccentric French wife, Marguerite. Crowds pack the courtroom, eagerly following every twist, while the newspapers print lurid theories about the killings and the mysterious woman being tried at the Old Bailey. The testimonies against Frannie are damning. She is a seductress, a witch, a master manipulator, a whore. But Frannie claims she cannot recall what happened that fateful evening, even if remembering could save her life. She doesn't know how she came to be covered in the victims' blood. But she does have a tale to tell: a story of her childhood on a Jamaican plantation, her apprenticeship under a debauched scientist who stretched all bounds of ethics, and the events that brought her into the Benhams' London home—and into a passionate and forbidden relationship. Though her testimony may seal her conviction, the truth will unmask the perpetrators of crimes far beyond murder and indict the whole of English society itself.

Even Alex has to admit she looks guilty. Out of a job and under suspicion, Alex is running low on cash, when she's visited by a second disaster: her family. Soon her tiny bungalow is bursting with her nearest and not-so-dearest. To keep herself out of jail—and save what's left of her sanity—Alex returns to her reporting roots. She goes undercover to reclaim her life, break the story, and unmask a murderer. Pretty much in that order. What she doesn't know: The killer also has a to-do list. And Alex is on it.

*Midnight Confessions* May 18 2020 From USA TODAY bestselling author Candice Proctor (aka C. S. Harris) comes an unforgettable tale of lust and murder set against the steamy, decadent backdrop of nineteenth-century New Orleans . . . Occupied New Orleans, 1863: When a beloved elderly doctor is killed by a silver-tipped crossbow bolt while visiting his wife's tomb, Federal provost marshal Zach Cooper is assigned to investigate. A career cavalry officer reluctantly sidelined by a battle wound, Zach soon finds himself dangerously attracted to one of the main suspects in the murder: the beautiful, mysterious young French widow Emmanuelle de Beauvais. As Zach's investigation takes him from the crumbling mansions of New Orleans's impoverished aristocracy to the slave gatherings of Congo Square and a Voodoo practitioner hidden deep in the treacherous swamps beyond the city, he becomes increasingly torn between duty and a blinding, all-consuming passion. And as one brutal murder follows another, Zach must race to unmask a vicious killer who may-or may not-be the woman he has come to love. "Proctor is in top form here. A gripping plot, arresting characters and a thoroughly researched setting combine to make this a remarkable read." Publishers Weekly (starred review) "Superbly suspenseful." Booklist From Booklist: When Zach Cooper, the provost marshal of the Union forces occupying New Orleans in 1862, meets Emmanuelle de Bourdonnay [sic] in the course of a murder investigation, he is attracted to the beautiful widow only to discover that she withholds the truth from him, if not her body, even as those close to her continue to die. Despite her anti-Yankee feelings and grudgingly revealed secrets, Zach comes to love her, fears for her safety, ignores his suspicions that she should be a suspect, and single-mindedly pursues his investigation of those who have been involved with Emmanuelle and her work at the Hospital de Santerre. Although this is a superbly suspenseful historical romance, the book's real appeal is its mood, for which Proctor has an obvious gift. The reader actually feels weighed down by the heat, humidity, despair, corruption, superstition, sense of foreboding, and hatreds of old New Orleans. Even knowing that the two lovers will commit to each other doesn't lessen the drama leading up to the exciting--and to

some extent surprising--ending. Mary K. Chelton Copyright American Library Association. All rights reserved. From Publishers Weekly (starred review): The Union occupation of New Orleans provides the backdrop for the latest novel from Proctor (*Whispers of Heaven; Women, Equality and the French Revolution*), a versatile author whose firsthand knowledge of the region and vivid descriptions infuse this story with a strong sense of place. A series of tragic incidents draw Emmanuelle de Beauvais, a widowed single mother and doctor who hates the occupying Union forces, and Zachary Cooper, a Union provost marshal, together. After witnessing the death of her old friend, Dr. Henri Santerre, Emmanuelle questions whether the arrow that killed him had really been meant for her. Her fear intensifies when other friends, also associated with the hospital, are murdered. Cooper initially suspects the self-possessed Emmanuelle of the crimes, but when a serious attempt is made on her life, Cooper's investigation takes him from the city's crowded docks to the homes of old aristocrats and even into a swamp to question a man renowned as a seer and an herbalist. The attraction between Cooper and Emmanuelle intensifies as they uncover a twisted web of passion and betrayal spun by those she trusts most. Proctor is in top form here. A gripping plot, arresting characters and a thoroughly researched setting combine to make this a remarkable read. (June 2)

The Confessions of Nat Turner Oct 23 2020 The "magnificent" Pulitzer Prize-winning and #1 New York Times bestselling novel about the preacher who led America's bloodiest slave revolt (The New York Times). The Confessions of Nat Turner is William Styron's complex and richly drawn imagining of Nat Turner, the leader of the 1831 slave rebellion in Virginia that led to the deaths of almost sixty men, women, and children. Published at the height of the civil rights movement, the novel draws upon the historical Nat Turner's confession to his attorney, made as he awaited execution in a Virginia jail. This powerful narrative, steeped in the brutal and tragic history of American slavery, reveals a Turner who is neither a hero nor a demon, but rather a man driven to exact vengeance for the centuries of injustice inflicted upon his people. Nat Turner is a galvanizing portrayal of the crushing institution of slavery, and Styron's deeply layered characterization is a stunning rendering of one man's violent struggle against oppression. This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

**The Asylum Confession** Jun 11 2022 They arrive alive. They leave dead. But first, they give me their confessions. My name is Jack Steen. That name shouldn't mean anything to you. Unless you're about to die. And then I'm your bloody guardian angel. I work as a night nurse in the Asylum for the criminally insane. My name is the only real name you'll find in this book. I won't tell you which hospital I work at. I won't tell you the names of those dying. But I won't lie to you. You'll read exactly what I'm told. If you're smart, if you're deranged enough to read between the lines, you'll know who is telling the story. They could be playing their final game with me by messing with my head. Now, maybe they're messing with yours too. Inside this book are 4 confessions: One has an interesting 'appetite'. One was the Ken to his Barbie, and he would do anything to keep her happy. Another is a Nanny, but not one you want watching your kids. The other is the sweetest soul you'd ever meet but you'll have a hard time reading her confession. WARNING: There is swearing in this book. And some stories might be a trigger for something you have a hard time handling. But, these are the confessions of serial killers, mass murderers and such. NOTE: These once were published as novellas. Now they're in a full length novel. Deal with it. Want to read the next set of Confession books? **Confessions of the Flesh** Jun 30 2021 The fourth and final volume in Michel Foucault's acclaimed History of Sexuality, completed just before his death in 1984 and finally available to the public One of the most influential thinkers of the twentieth century, Michel Foucault made an indelible impact on Western thought. The first three volumes in his History of Sexuality—which trace cultural and intellectual notions of sexuality, arguing that it has been profoundly shaped by the power structures applied to it—constitute some of Foucault's most important work. This fourth volume posits that the origins of totalitarian self-surveillance began with the Christian practice of confession. The manuscript had long been secreted away, in accordance with Foucault's stated wish that there be no posthumous publication of his unpublished work. With the sale of the Foucault archives in 2013, Foucault's nephew felt that the time had come to publish this final volume in Foucault's seminal history. Philosophically, it is a chapter in his hermeneutics of the desiring subject. Historically, it focuses on the remodeling of subjectivity carried out by the early Christian Fathers, who set out to transform the classical Logos of truthful human discourse into a theologos—the divine Word of a pure sovereign. What did God will in the matter of righteous sexual practice? Foucault parses out the logic of the various responses proffered by theologians over the centuries, culminating with Saint Augustine's fascinating discussion of the libido. Sweeping and deeply personal, Confessions of the Flesh is a tour de force from a philosophical master
