A study that uncovers the lost history of the Comanches shows in detail how the Comanches built their unique empire and resisted European colonization, and why they were defeated in 1875. New York Times bestselling author Catherine Anderson takes readers to a quaint wilderness town, where a man and a woman find a second chance at life—and love... Determined to give her son Jeremy the childhood he deserves, Chloe Evans has left a tough past behind and is starting fresh in the charming resort town of Jack Pine, Oregon. But protecting Jeremy becomes a dicey proposition when he seeks out the most dangerous man in town to heal his sick puppy. Chloe has been warned to stay away from Ben Longtree. But there's something about the gentle, untamed loner that intrigues her... Long ago, Ben accepted his role as town outcast. Rumored to have once killed a man, he lives in splendid isolation with his forgetful mother, secretly employing his skills as a veterinarian to heal the wounded animals that mysteriously come to him. Now, Chloe's sunny warmth and brave tenacity arouse desires he has long denied. And although Ben is notorious for his healing touch, it is Chloe's hands—and heart—that have the power to save his battered soul. From New York Times bestselling author Catherine Anderson comes the final novel in the Comanche series—the poignant story of a fallen woman and the man who sees her pure heart... Handsome, strong, and just a little bit dangerous, half-Comanche Chase Wolf is used to getting what he wants. So when he sees Franny—a golden-haired angel with deep green eyes, delicate features and the sweetest smile—he sets out to make her his. But far from the innocent she seems, Franny is the local “unfortunate” who services men above the Lucky Nugget saloon. The shocking truth sends Chase reeling... Long ago, circumstances forced Franny to make a terrible choice in order to provide for those she holds most dear. Now she lives a secret double life, respectable in one world, shunned in another, always fearful of discovery, forever marked by shame. But Chase's persistent love for Franny knows no bounds. He offers her a life she longs to claim and he won't stop trying until her defenses have fallen, her heart is healed, and their love has triumphed. This is not your grandfather's history of Texas. Portraying nineteenth-century Texas as a cauldron of racist violence, Gary Clayton Anderson shows that the ethnic warfare dominating the Texas frontier can best be described as ethnic cleansing. The Conquest of Texas is the story of the struggle between Anglos and Indians for land. Anderson tells how Scotch-Irish settlers clashed with farming tribes and then challenged the Comanches and Kiowas for their hunting grounds. Next, the decade-long conflict with Mexico merged with war against Indians. For fifty years Texas remained in a virtual state of war. Piercing the very heart of Lone Star mythology, Anderson tells how the Texas government encouraged the Texas Rangers to annihilate Indian villages, including women and children. This policy of terror succeeded: by the 1870s, Indians had been driven from central and western Texas. By confronting head-on the romanticized version of Texas history that made heroes out of Houston, Lamar, and Baylor, Anderson helps us understand that the history of the Lone Star state is darker and more complex than the mythmakers allowed. Two children make sure their parents' love story gets a second chance in this compelling romance from New York Times bestselling author Catherine Anderson. Two years ago, Ellie Grant would have fallen apart at any reminder of her ex-husband, Tucker. But now she doesn't bat an eye when "their song" comes on the radio. She's unfazed by the thought of Tucker's perky new girlfriend. Ellie is totally over him. And things are better for Tucker as well. The single life agrees with him. And they've both done a good job of being civil to each other, for their sons' sake. But the kids aren't buying it. Zach and Kody are convinced that, deep down, their parents are still meant to be together. Up to their elbows in scheming and dreaming, the brothers hatch a plan: they'll run away from home into the Oregon wilderness and stay there until their parents agree to get back together. Surely Ellie and Tucker will come to the rescue—and to their senses.... The “fascinating” #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection. New York Times bestselling author Catherine Anderson presents the beloved Coulter family in a novel that's “romantic through and through” (Publishers Weekly). One glance. That's all it takes. Wealthy rancher Ryan Kendrick falls hard and fast for lovely Bethany Coulter. A beguiling mix of sass and shyness, naiveté and maturity, she shares his passion for horses, has a great sense of humor, and can light up a room with her beautiful smile. She's absolutely perfect—in every way but one... A long-ago barrel-racing accident has left Bethany confined to a wheelchair. In the years since, she has known both betrayal and heartbreak—and vowed never to open her heart to a man again. She has even accepted the possibility that she'll never be able to enjoy a healthy intimate relationship—or have children of her own. But there's something about handsome Ryan Kendrick. Something that makes her believe she can overcome every obstacle. Something that makes her believe in lifelong, lasting love... A delightful anthology of love and matrimony, *Three Times a Bride* features breathtaking classic novellas from three of the brightest stars in romance: USA Today and New York Times bestsellers Catherine Anderson, Loretta Chase, and Samantha James. Sizzling, heart-soaring tales of passion and desire, jealousy and revenge, love and, of course, marriage, *Three Times a Bride* is a celebration of that most unique and wondrous event...and of the wedding night that follows! New York Times bestselling author Catherine Anderson, known for “blending sweetness and sensuality in a poignantly written story” (Booklist), delivers a contemporary-set romance that joins the Coulter and Harrigan families... When Samantha Harrigan attends the local rodeo, she doesn't expect to wind up in jail. But that's precisely what happens when she tries to stop a drunkard from abusing his horse. At least she isn't alone. Tucker Coulter, a handsome local veterinarian, comes to her defense—and is arrested too. The charges are dropped, but Sam's troubles have only started. Her champion quarter horses are falling ill and the culprit is poison. As the insurance beneficiary, Sam is the prime suspect. Unswayed by the rumors floating around town, Tucker offers to help prove her innocence. Sam, though, is uneasy about accepting his assistance—and about the way he makes her feel. If only she could believe in him the way he seems to believe in her... This magnificent, sweeping work traces the histories of the Native peoples of the American West from their arrival thousands of years ago to the early years of the nineteenth century. Emphasizing conflict and change, *One Vast Winter Count* offers a new look at the early history of the region by blending ethnohistory, colonial history, and frontier history. Drawing on a wide range of oral and archival sources from across the West, Colin G. Calloway offers an unparalleled glimpse at the lives of generations of Native peoples in a western land soon to be overrun. *Finalist for the Pulitzer Prize and the National Book Critics Circle Award* *A New York Times Notable Book* *Winner of the Texas Book Award and the Oklahoma Book Award* This New York Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West “is nothing short of a revelation...will leave dust and blood on your jeans” (The New York Times Book Review). *Empire of the Summer Moon* spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the

last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne's exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. Empire of the Summer Moon announces him as a major new writer of American history. When Taffeta Brown loses everything, including custody of her daughter, she moves to Mystic Creek, Oregon, to start over, where she unexpectedly meets the one man who might be able to help her get her daughter back. New York Times bestselling author Catherine Anderson will touch your emotions with the story of woman who brings out the best in a daredevil cowboy in this Harrigan Family novel. At twenty-eight, Mandy Pajack has spent most of her life taking care of others. Since the accident that took her younger brother's sight, Luke's complete reliance on Mandy's care has left both of them feeling trapped. But when Mandy meets handsome Zach Harrigan, she thinks she's found the ticket to her brother's happiness. Of the five Harrigan siblings, Zach was the hellion who partied hard and took nothing seriously. But when his life starts to feel empty, Zach decides to employ his skills as a horseman to train a mini guide horse for the blind—never expecting the project will lead him to beautiful, tender-hearted Mandy. Even though she's charmed by Zach's patience and compassion, Mandy can't bring herself to fully trust him. And when Zach urges her to confront the truth about her mother's disappearance, the secrets they uncover are so shocking that even Zach's steadfast devotion may not be enough to win her heart... THE NATIONAL BESTSELLER The second book of Larry McMurtry's Lonesome Dove tetralogy, Comanche Moon takes us once again into the world of the American West. Texas Rangers August McCrae and Woodrow Call, now in their middle years, continue to deal with the ever-increasing tensions of adult life -- Gus with his great love, Clara Forsythe, and Call with Maggie Tilton, the young whore who loves him. Two proud but very different men, they enlist with the Ranger troop in pursuit of Buffalo Hump, the great Comanche war chief; Kicking Wolf, the celebrated Comanche horse thief; and a deadly Mexican bandit king with a penchant for torture. Assisting the Rangers in their wild chase is the renowned Kickapoo tracker, Famous Shoes. Comanche Moon closes the twenty-year gap between Dead Man's Walk and Lonesome Dove, following beloved heroes Gus and Call and their comrades in arms -- Deets, Jake Spoon, and Pea Eye Parker -- in their bitter struggle to protect the advancing West frontier against the defiant Comanches, courageously determined to defend their territory and their way of life. "Torn between the white and Comanche worlds of her parents, Indigo Wolf has grown up estranged from the townspeople of Wolf's Landing, Oregon. No one understands her elusive spirit—until Jake Rand comes to town to act as foreman of her family's ranch. But Jake's real motives are as secret as his true identity, and as personal as his growing attraction to Indigo"--Publisher's web site. New York Times bestselling author Catherine Anderson presents the first novel in her Comanche series—a powerful historical romance about a man and a woman caught between two worlds... Orphaned seven years ago after witnessing the brutal murder of her parents at the hands of the Comanche people, golden-haired Loretta Simpson still lives in terror that the warriors will return—her fear so powerful, she is no longer able to speak a word. Called the U.S. Army's most cunning adversary, Hunter of the Wolf believes that Loretta is the "honey-haired woman with no voice" of ancient prophecy—the one he must honor for all eternity. But Loretta can only see Hunter as the enemy who has stolen her, refusing to succumb to his control, or his touch. Despite the hatred intensifying between their peoples, Loretta and Hunter gradually find their prejudices giving way to respect, then flaring into feelings too dangerous to express. In the midst of such conflict, it will take all the force of their extraordinary love to find a safe place... NATIONAL BOOK AWARD WINNER • NATIONAL BESTSELLER • The first volume in the Border Trilogy, from the Pulitzer Prize–winning author of The Road All the Pretty Horses is the tale of John Grady Cole, who at sixteen finds himself at the end of a long line of Texas ranchers, cut off from the only life he has ever imagined for himself. With two companions, he sets off for Mexico on a sometimes idyllic, sometimes comic journey to a place where dreams are paid for in blood. Look for Cormac McCarthy's new novel, The Passenger. Set includes revised editions of some issues. New York Times bestselling author Catherine Anderson presents an emotionally compelling story about the hard as nails, fiercely loyal Harrigan family. Faking her own death to escape her murderous husband, Rainie Hall takes refuge in the rural community of Crystal Falls, Oregon, where she starts work as a bookkeeper on a horse ranch run by rugged, dangerously good-looking Parker Harrigan. Parker's word is his honor, and he can't tolerate liars. When he realizes that Rainie hasn't been truthful with him, he's furious, then concerned. Clearly she's a woman in trouble and if she'll trust him, he'll do right by her. But as their attraction blossoms into a deep and thrilling passion, Rainie fears that her mere presence could jeopardize everything the Harrigan family holds dear.... From New York Times bestselling author Catherine Anderson comes the second novel in the Comanche series—a stirring story of courage, passion, and unforgettable love... Years ago, Amy Masters escaped the fury of the Texas plains for a new life as a teacher in the golden hills of Oregon, where she found contentment—if not happiness. Then, out of the shadows, comes Swift Antelope, the Comanche warrior to whom she once pledged her heart when she was no more than a girl. Claiming that he's given up his violent ways as a gunslinger, Swift has arrived to take the woman he feels is rightfully his, the woman who once swore to honor a sacred and unbreakable pact. But Amy's brutal past has made it impossible for her to trust any man—even if it's the bold warrior who has haunted her dreams, the only man she ever loved, the Comanche heart she can't live without. New York Times bestselling author Catherine Anderson presents the first novel in her contemporary romance series featuring the Harrigan Family... Born with second sight, Loni MacEwen has vowed to ignore the visions that have brought her so much heartbreak. Then she meets Clint Harrigan—and realizes she has no choice but to warn the handsome cowboy that his son is in danger. A hardworking, no-nonsense rancher, Clint doesn't believe the pretty stranger—especially since he doesn't even have a son. But then he sees the drama Loni predicted unfolding on the local news. An orphaned boy is lost in the dense Oregon wilderness, and according to Loni, only Clint can save him. Loni and Clint forge into the woods to find the lost boy. As long nights follow exhausting days, their feelings grow stronger, and what began as a race against time becomes a shared journey of trust, understanding, and unexpected love... The first comprehensive history of the Lakota Indians and their profound role in shaping America's history Named One of the New York Times Critics' Top Books of 2019 - Named One of the 10 Best History Books of 2019 by Smithsonian Magazine - Winner of the MPIBA Reading the West Book Award for narrative nonfiction "Turned many of the stories I thought I knew about our nation inside out."--Cornelia Channing, Paris Review, Favorite Books of 2019 "My favorite non-fiction book of this year."--Tyler Cowen, Bloomberg Opinion "A brilliant, bold, gripping history."--Simon Sebag Montefiore, London Evening Standard, Best Books of 2019 "All nations deserve to have their stories told with this degree of attentiveness"--Parul Sehgal, New York Times This first complete account of the Lakota Indians traces their rich and often surprising history from the early sixteenth to the early twenty-first century. Pekka Hämäläinen explores the Lakotas' roots as marginal hunter-gatherers and reveals how they reinvented themselves twice: first as a river people who dominated the Missouri Valley, America's great commercial artery, and then—in what was America's first sweeping westward expansion—as a horse people who ruled supreme on the vast high plains. The Lakotas are imprinted in American historical memory. Red Cloud, Crazy Horse, and Sitting Bull are iconic figures in the American imagination, but in this groundbreaking book they emerge as something different: the architects of Lakota America, an expansive and enduring Indigenous regime that commanded human fates in the North American interior for generations. Hämäläinen's deeply researched and engagingly written history places the Lakotas at the center of American history, and the results are revelatory. A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series. An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students. The Offer You Can'T Resist...In A Great New Package A beautiful young woman is thrown together with a rakish Viscount by a twist of fate--and is caught off guard by her own yearning for love and passion... This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences.
